and music.

The Last Miles - George Cole 2007-07-17

The story of the final recordings of one of the greatest jazz musicians of the twentieth century

Prince - Ronin Ro 2012-02-02

In over thirty years as one of the most original and charismatic figures in modern music, Prince Rogers Nelson has enjoyed huge success – and courted considerable controversy. Now, acclaimed rock journalist Ronin Ro chronicles both the man and his music. During the course of his journey from teenage obscurity to the Rock and Roll Hall of Fame, Prince has provoked moral outrage, starred in a hit movie, adopted an unpronounceable symbol for a stage name, confronted record labels and fostered young talent, making a profound mark on the entertainment industry and pop culture at large. Moreover, his restless creativity has produced a string of international hits including ‘Little Red Corvette’, ‘Let’s Go Crazy’, ‘Kiss’ and ‘Cream’, and at the height of his fame the album Purple

Rain was selling at a rate of a million copies a week in the US alone. Through access to an unrivalled array of witnesses to Prince’s remarkable rise, including former producers, bandmates and managers, Ronin Ro gets closer to him than any previous biographer, peeling away the masks to lay bare the story of a true modern icon.

I Would Die 4 U - Touré 2019-10-15

An expansive and insightful exploration of one of the most iconic and electrifying artists ever, this book reveals the stunning, multi-generational influence and appeal of Prince and his revered music—from celebrated journalist, author, and host of the popular podcast The Touré Show. Infused with Touré’s unique pop-culture fluency, I Would Die 4 U is as passionate and radical as its subject matter. Building on his lifelong admiration for Prince’s oeuvre and interviews with those closest to the late artist, including band members, his tour manager, and music and Bible scholars, Touré deconstructs the life and

work of the enigmatic icon who has been both a reflective mirror of and inspirational force for America. By defying traditional categories of race, gender, and sexuality, but also presenting a very conventional conception of religion and God, Prince was a man of profound contradictions. He spoke in the language of 60s pop and soul to a generation fearing Cold War apocalypse and the crack and AIDS epidemic, while simultaneously being both an MTV megastar and a religious evangelist. He creatively blended his songs with images of sex and profanity to invite us into a musical conversation about the healing power of God and religion. By demystifying Prince as a man, an artist, and a cultural force, *I Would Die 4 U* shows us how he impacted and defined a generation.

Billboard - 2003-04-05

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted

charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

[The Words and Music of Prince](#) - James E. Perone 2008

An analysis of the songs, recordings, and influence of one of the most colorful and controversial American artists of the past quarter century.

The Ruin of Kings - Jenn Lyons 2019-02-05

"Everything epic fantasy should be: rich, cruel, gorgeous, brilliant, enthralling and deeply, deeply satisfying. I loved it."—Lev Grossman, author of *The Magicians* When destiny calls, there's no fighting back. Kihrin grew up in the slums of Quur, a thief and a minstrel's son raised on tales of long-lost princes and magnificent quests. When he is claimed against his will as the missing son of a treasonous prince, Kihrin finds himself at the mercy of his new family's ruthless power plays and political ambitions. Practically a prisoner, Kihrin discovers that being a long-lost

prince is nothing like what the storybooks promised. The storybooks have lied about a lot of other things, too: dragons, demons, gods, prophecies, and how the hero always wins. Then again, maybe he isn't the hero after all. For Kihrin is not destined to save the world. He's destined to destroy it. Jenn Lyons begins the Chorus of Dragons series with *The Ruin of Kings*, an epic fantasy novel about a man who discovers his fate is tied to the future of an empire.

The Little Prince - Antoine de Saint-Exupéry 2013

An aviator whose plane is forced down in the Sahara Desert encounters a little prince from a small planet who relates his adventures in seeking the secret of what is important in life.

Prince and the Purple Rain Era Studio Sessions - Duane Tudahl 2018-11-15

Featuring insights on even more groundbreaking recording sessions, rehearsals, and sound checks, the expanded edition of Duane Tudahl's award-winning book pulls back the paisley curtain to reveal the untold story of Prince's rise

from cult favorite to the biggest rock star on the planet. His journey is meticulously documented through detailed accounts of his time secluded behind the doors of the recording studio as well as his days on tour. With unprecedented access to the musicians, singers, and studio engineers who knew Prince best, including members of the Revolution and the Time, Duane Tudahl weaves an intimate saga of an eccentric genius and the people and events who helped shape the groundbreaking music he created. From Sunset Sound Studios' daily recording logs and the Warner Bros. vault of information, Tudahl uncovers hidden truths about the origins of songs such as "Purple Rain," "When Doves Cry," and "Raspberry Beret" and also reveals never-before-published details about Prince's unreleased outtakes. This definitive chronicle of Prince's creative brilliance during 1983 and 1984 provides a new experience of the Purple Rain album as an integral part of Prince's life and the lives of those closest to him.

The Russo-Turkish War - Henry Montague Hozier
1878

The Russo-Turkish war: including an account of the rise and decline of the Ottoman power, and the history of the Eastern question - sir Henry Montague Hozier 1877

Music in American Life: An Encyclopedia of the Songs, Styles, Stars, and Stories that Shaped our Culture [4 volumes] - Jacqueline Edmondson
Ph.D. 2013-10-03

A fascinating exploration of the relationship between American culture and music as defined by musicians, scholars, and critics from around the world.

The Rise of Prince: 1958-1988 - Alex Hahn
2017-02-23

The Rise of Prince: 1958-1988 gives you a front-row seat to the dramatic events of iconic artist Prince Rogers Nelson's dazzling rise to fame. The book opens with the gripping tale of Prince's final

months in 2016, and then transports you to the Minneapolis of his childhood to tell a story that is by turns tragic and triumphant. This book's gripping, 50-page prologue provides a nearly day-to-day account of the events that unfolded between November 2015 and April 21, 2016, when Prince tragically died at Paisley Park. The great distance traveled by Prince during his final months - tours of Australia and New Zealand, a funeral in the Bay Area for former muse and lover Denise Matthews, a tour of Canada, and a final return home - in some ways mirrored on a grand scale Prince's nomadic childhood, to which the book returns after detailing the events of 2016. Thanks to the many close friends and associates who shared their stories with the authors, The Rise of Prince will both enlighten and deeply move Prince's legions of fans. What is ultimately revealed is the very human story of how a young man from a small Midwestern city overcame adversity to achieve one of the greatest runs of creativity in pop history, along

the way creating an unparalleled universe of side projects, alter egos, and a musical legacy for the ages. Alex Hahn, writing with co-author Laura Tiebert, brings his extraordinary experience to this book, which includes fully updated and expanded elements of his controversial 2003 biography *Possessed*, a sought-after collector's item that remains a classic of Prince literature. The book is enhanced by exclusive photos from rock photographer Paul Natkin, one of the most renowned photographers of Prince.

[Dark Possession](#) - Christine Feehan 2007-08-28
#1 New York Times bestselling author Christine Feehan returns to her uniquely sensual Carpathian world in a novel about the nature of true love and the unnatural forces that could destroy it... Manolito De La Cruz knew he was dangerously close to turning into a vampire. The last thing he expected after being called back to his Carpathian homeland by Prince Mikhail was to catch the scent of his destined lifemate in MaryAnn Delaney. MaryAnn is human, but she

knows all too well the overwhelmingly aggressive instincts of Carpathian males. And they're not exactly the kind of men she'd prefer to be bound to for life. A dedicated counselor for battered women, MaryAnn has a fulfilling life with no room for someone like Manolito, born and bred in the Carpathian mountains, a law unto himself. But when MaryAnn agrees to go to South America to offer guidance to a brutalized young woman, she has no idea of the trap that awaits her in the sweltering thick of the jungle. She has been lured there by Manolito himself, who has seductive plans for the unaware, irresistibly human female...

[Kingdom of the Wicked](#) - Kerri Maniscalco 2020-10-27

A James Patterson Presents Novel From the #1 New York Times and USA Today bestselling author of the Stalking Jack the Ripper series comes a new blockbuster series... Two sisters. One brutal murder. A quest for vengeance that will unleash Hell itself... And an intoxicating

romance. Emilia and her twin sister Vittoria are streghe -- witches who live secretly among humans, avoiding notice and persecution. One night, Vittoria misses dinner service at the family's renowned Sicilian restaurant. Emilia soon finds the body of her beloved twin...desecrated beyond belief. Devastated, Emilia sets out to find her sister's killer and to seek vengeance at any cost-even if it means using dark magic that's been long forbidden. Then Emilia meets Wrath, one of the Wicked-princes of Hell she has been warned against in tales since she was a child. Wrath claims to be on Emilia's side, tasked by his master with solving the series of women's murders on the island. But when it comes to the Wicked, nothing is as it seems...

The Desire of Ages - Ellen G. White 1898

Prince of the Press - Joshua Teplitzky

2019-01-01

David Oppenheim (1664-1736), chief rabbi of Prague in the early eighteenth century, built an

unparalleled collection of Jewish books and manuscripts, all of which have survived and are housed in the Bodleian Library at Oxford. His remarkable collection testifies to the myriad connections Jews maintained with each other across political borders, and the contacts between Christians and Jews that books facilitated. From contact with the great courts of European nobility to the poor of Jerusalem, his family ties brought him into networks of power, prestige, and opportunity that extended across Europe and the Mediterranean basin. Containing works of law and literature alongside prayer and poetry, his library served rabbinic scholars and communal leaders, introduced old books to new readers, and functioned as a unique source of personal authority that gained him fame throughout Jewish society and beyond. The story of his life and library brings together culture, commerce, and politics, all filtered through this extraordinary collection. Based on the careful reconstruction of an archive that is still visited by

scholars today, Joshua Teplitzky's book offers a window into the social life of Jewish books in early modern Europe.--Publisher's website.

Prince's Sign O' the Times - Michaelangelo Matos
2004-03-31

One of the greatest double albums of the vinyl era, Sign 'O' the Times shows Prince at his peak. Here, Michaelangelo Matos tells the story of how it emerged from an extraordinary period of creativity to become one of the landmark recordings of the 1980s. He also illustrates beautifully how - if a record is great enough and lucky enough to hit you at the right time - it can change your way of looking at the world.

EXCERPT The most immediately striking thing about Sign 'O' the Times is the jazzy sensibility running through it. Prince's father was a jazz musician, his mother a vocalist; he'd been a fan of chops-heavy jazz-fusion as well as rock and R&B growing up. But when Prince began recording for Warner Bros., he abjured the brass sections that dominated groups like Earth, Wind

& Fire and Parliament-Funkadelic, opting instead for stacked synthesizer patterns and a spare, cold feel that markedly contrasted with lush, overarranged disco and the wild, thick underbrush of the era's giant funk ensembles; Rickey Vincent, author of Funk: The Music, the People, and the Rhythm of the One, dubbed it "naked funk." Getting away from traditional R&B instrumentation is an underappreciated aspect of Prince's crossover success; Prince is also said to have actively disliked the sound of horns early in his career.

Prince - Dave Hill 1989-01

Bitch - 2008

Discourses on Livy - Niccolò Machiavelli
2009-02-27

Discourses on Livy is the founding document of modern republicanism, and Harvey C. Mansfield and Nathan Tarcov have provided the definitive English translation of this classic work. Faithful to

the original Italian text, properly attentive to Machiavelli's idiom and subtlety of thought, it is eminently readable. With a substantial introduction, extensive explanatory notes, a glossary of key words, and an annotated index, the Discourses reveals Machiavelli's radical vision of a new science of politics, a vision of "new modes and orders" that continue to shape the modern ethos. "[Machiavelli] found in Livy the means to inspire scholars for five centuries. Within the Discourses, often hidden and sometimes unintended by their author, lie the seeds of modern political thought. . . . [Mansfield and Tarcov's] translation is careful and idiomatic."—Peter Stothard, *The Times* "Translated with painstaking accuracy—but also great readability."—*Weekly Standard* "A model of contemporary scholarship and a brave effort at Machiavelli translation that allows the great Florentine to speak in his own voice."—*Choice*
Good Night, Sweet Prince - GENE FOWLER
1944

Explanatory Catalogue of the Proof-impressions of the Antique Gems Possessed by the Late Prince Poniatowski, and Now in the Possession of John Tyrrell - James Prendeville 1842

Possessed - Alex Hahn 2004

Drawing upon hundreds of interviews and using many sources unavailable to others, author Alex Hahn has created a page-turning biography on one of the most dynamic, talented, and controversial performers ever to don backless pants on national television. *Possessed* unveils the psychology of this tortured, messianic artist whose ceaseless reinventions have at times rendered him a profoundly original artist, while at other times threatened to become a mockery of himself and his music. Recollections from friends, employees, sound engineers, journalists, and industry insiders place readers right in the middle of some of Prince's most awe-inspiring recording and song writing sessions. They also relate, in often shocking detail, Prince's most publicized

relationships with Kim Basinger, Carmen Electra, Vanity, Apollonia Kotero, and many more; reveal how Prince plagiarized band members' musical ideas; and explain why he has become such an isolated figure.

The Rise and Decline of the Netherlands - J. Ellis Barker 1906

The Russo-Turkish War: including an account of the rise and decline of the Ottoman power and the history of the eastern question - Henry Montague Hozier 1878

Prince Ombra - Roderick MacLeish 2002-08-19

Fantasy, thriller. Well reviewed. 10 yrs+

Civilization - Niall Ferguson 2011-11-01

From the bestselling author of *The Ascent of Money* and *The Square and the Tower* “A dazzling history of Western ideas.” —*The Economist* “Mr. Ferguson tells his story with characteristic verve and an eye for the felicitous phrase.” —*Wall Street Journal* “[W]ritten with vitality and verve . .

. a tour de force.” —*Boston Globe* Western civilization’s rise to global dominance is the single most important historical phenomenon of the past five centuries. How did the West overtake its Eastern rivals? And has the zenith of Western power now passed? Acclaimed historian Niall Ferguson argues that beginning in the fifteenth century, the West developed six powerful new concepts, or “killer applications”—competition, science, the rule of law, modern medicine, consumerism, and the work ethic—that the Rest lacked, allowing it to surge past all other competitors. Yet now, Ferguson shows how the Rest have downloaded the killer apps the West once monopolized, while the West has literally lost faith in itself. Chronicling the rise and fall of empires alongside clashes (and fusions) of civilizations, *Civilization: The West and the Rest* recasts world history with force and wit. Boldly argued and teeming with memorable characters, this is Ferguson at his very best.

Elantris - Brandon Sanderson 2015-10-06

Arriving in the kingdom of Arelon to enter a marriage of state, princess Sarene discovers that her intended has died and that she is considered his widow, leaving her a lone force against the imperial ambitions of a religious fanatic.

The Wars of the Roses - Dan Jones 2014-10-14

The author of the New York Times bestseller *The Plantagenets* and *The Templars* chronicles the next chapter in British history—the historical backdrop for *Game of Thrones* The inspiration for the Channel 5 series *Britain's Bloody Crown* The crown of England changed hands five times over the course of the fifteenth century, as two branches of the Plantagenet dynasty fought to the death for the right to rule. In this riveting follow-up to *The Plantagenets*, celebrated historian Dan Jones describes how the longest-reigning British royal family tore itself apart until it was finally replaced by the Tudors. Some of the greatest heroes and villains of history were thrown together in these turbulent times, from

Joan of Arc to Henry V, whose victory at Agincourt marked the high point of the medieval monarchy, and Richard III, who murdered his own nephews in a desperate bid to secure his stolen crown. This was a period when headstrong queens and consorts seized power and bent men to their will. With vivid descriptions of the battles of Towton and Bosworth, where the last Plantagenet king was slain, this dramatic narrative history revels in bedlam and intrigue. It also offers a long-overdue corrective to Tudor propaganda, dismantling their self-serving account of what they called the Wars of the Roses.

[Icons of R & B and Soul: An Encyclopedia of the Artists Who Revolutionized Rhythm \(Greenwood Icons\)](#) - Bob Gulla 2008

Prince - Matt Thorne 2016-02-09

An astonishingly rich, almost encyclopedic biography of the American singer-songwriter, Prince Rogers Nelson. Famously reticent and

perennially controversial, Prince was one of the few music superstars who remained, largely, an enigma—even up to his premature death on April 21, 2016. A fixture of the pop canon, Prince is widely held to be the greatest musician of his generation and will undoubtedly remain an inspiring and singular talent. This meticulously researched biography is the most comprehensive work on Prince yet published. Unlike other Prince books, this one eschews speculation into the artist's highly guarded private life and instead focuses deep and sustained attention exactly where it should be: on his work. Acclaimed British novelist and critic Matt Thorne draws on years of research and dozens of interviews with Prince's intimate associates (many of whom have never spoken on record before) to examine every phase of the musician's thirty-five-year career, including nearly every song, released and unreleased—that Prince has recorded. Originally released in the UK in 2012, this first U.S. publication of Prince includes updated content

detailing the artist's two 2014 albums, tour, 2015 Tidal release, and other career events. Praise for Prince: The Man and His Music “Matt Thorne's Prince is the definitive work on the man; I am listening again to every piece of his music with renewed enthusiasm.” —Alexis Taylor, Hot Chip “[Thorne] brings an enthusiasm, intelligence, and maverick spirit to the 562 pages covering the 35-year career of Prince Rogers Nelson . . . It's to Thorne's credit that through painstaking research and interviews he manages to paint a picture of what the man, rather than the myth, is actually like. A must for the legions of Prince fans out there.” —Doug Johnstone, Big Issue (UK) “Thorne brings an exhaustive knowledge and attention to detail to the task . . . If you're as much of a fan as Thorne [is], you'll be in heaven.” —Mick Brown, Daily Telegraph (UK) “The final word on the mad genius known as Prince Rogers Nelson. There is now quite literally nothing more to say about Prince or his music. It's all here—dance, sex, romance, and above all, the music. Downright

orgasmic.” —Current magazine
Historical Dictionary of Popular Music - Norman
Abjorensen 2017-05-25

The Historical Dictionary of Popular Music contains a chronology, an introduction, an appendix, and an extensive bibliography. The dictionary section has over 1000 cross-referenced entries on major figures across genres, definitions of genres, technical innovations and surveys of countries and regions.

One Night with a Prince - Sabrina Jeffries
2005-07-01

Continuing her irresistible Royal Brotherhood Series, bestselling author Sabrina Jeffries introduces the third of three half-noble half brothers—the brashest rogue in all of London. Proper Lady Christabel, the Marchioness of Haversham, is desperate to regain some letters that could destroy her—so desperate that she pretends to be the mistress of notorious gaming-club owner Gavin Byrne to accompany him to a scandalous house party where she can reclaim

them. But when she agreed to let Byrne coach her on how a true mistress behaves, she never suspected how very...persuasive his wicked lessons would be. Gavin is secretly determined to find the letters himself and use them for revenge against the noble sire who abandoned him to grow up in London's worst slums. He's also delighted at how very successful his "mistress lessons" are: it won't be long before the luscious young widow is in his bed. But when Christabel catches Gavin in his own seductive net, he faces a difficult choice: to wreak the vengeance he's planned all his life, or to protect the woman he may—to his own astonishment—need more than revenge.

The Whipping Boy - Sid Fleischman 2003-04-15
A Prince and a Pauper Jemmy, once a poor boy living on the streets, now lives in a castle. As the whipping boy, he bears the punishment when Prince Brat misbehaves, for it is forbidden to spank, thrash, or whack the heir to the throne. The two boys have nothing in common and even

less reason to like one another. But when they find themselves taken hostage after running away, they are left with no choice but to trust each other.

The Encyclopedia of Popular Music: Selected Albums. Bibliographies - Colin Larkin 2006

Containing 27,000 entries and over 6,000 new entries, the online edition of the Encyclopedia of Popular Music includes 50% more material than the Third Edition. Featuring a broad musical scope covering popular music of all genres and periods from 1900 to the present day, including jazz, country, folk, rap, reggae, techno, musicals, and world music, the Encyclopedia also offers thousands of additional entries covering popular music genres, trends, styles, record labels, venues, and music festivals. Key dates, biographies, and further reading are provided for artists covered, along with complete discographies that include record labels, release dates, and a 5-star album rating system.

Possessed Voices - Ruthie Abeliovich 2019-07-01
Analyzes audio recordings of interwar Hebrew plays, providing a new model for the use of sound in theater studies. *Possessed Voices* tells the intriguing story of a largely unknown collection of audio recordings, which preserve performances of modernist interwar Hebrew plays. Ruthie Abeliovich focuses on four recordings: a 1931 recording of *The Eternal Jew* (1919/1923), a 1965 recording of *The Dybbuk* (1922), a 1961 radio play of *The Golem* (1925), and a 1952 radio play of *Yaakov and Rachel* (1928). Abeliovich traces the spoken language of modernist Hebrew theater as grounded in multiple modalities of expressive practices, including spoken Hebrew, Jewish liturgical sensibilities supplemented by Yiddish intonation and other vernacular accents, and in relation to prevalent theatrical forms. The book shows how these recorded performances provided Jewish immigrants from Europe with a venue for lamenting the decline of their home communities

and for connecting their memories to the present. Analyzing sonic material against the backdrop of its artistic, cultural, and ideological contexts, Abeliovich develops a critical framework for the study of sound as a discipline in its own right in theater scholarship. Ruthie Abeliovich is Lecturer in the Theatre Department

at Haifa University, Israel.

History of Europe, from the Fall of Napoleon, in MDCCCXV, to the Accession of Louis Napoleon in MDCCCLII. - Archibald Alison 1876

Aeneid - Virgil 1909
