Military Psychology for Africa - Gideon Van Dyk
2016-03-17

'Military Psychology for Africa' is the first textbook of its kind from Africa. Selected authors with competent military psychology knowledge, skills, expertise and experience each contributed a chapter to this unique book. The book empowers academics, students and military fellows to apply this knowledge at academic institutions and military units, during operations, and in presenting short courses. The book will also equip soldiers with new knowledge for advancing peace on the continent and abroad.

Organizational Behavior - Jason Colquitt 2011

Professions - Mike Saks 2021-04-19

Professions and professionalism have played an integral part in business and society. In this book, Mike Saks provides a thorough overview of this field through an analysis of a range of professions, including, amongst others, accountants, doctors and lawyers. The book offers a critical analysis of such privileged occupational groups in modern societies. Anticipating a positive if changing role for such groups in the years ahead, the book outlines conflicting theoretical perspectives on professions and discusses current developments in an accessible, multi-disciplinary style. The book documents their evolution and contemporary transformation from medieval guilds to fully-fledged professions and international professional service firms, while pointing a path towards their future in the world

of work and beyond. With insights into the recent challenges provided by clients, citizens, the state and corporations in neo-liberal societies, Professions provides a concise overview that will be essential reading for students, academics and others interested in the operation of these key occupational groups in business and society.

Introduction to Organisational Behaviour -

Michael Butler 2011-01-27

Ideal for anyone studying an introductory module in organisational behaviour, Introduction to Organisational Behaviour is a rigorous critique of all essential organisational behaviour topics. A comprehensive book with extensive accompanying online resources makes this a must-have package for anyone wanting to understand the theory and practice of organisational behaviour. Practitioner case studies, supporting video interviews where solutions and approaches are discussed, review questions at the end of every chapter make this an essential resource. Covering organisational behaviour in the context of individuals, groups and teams and managing organisations as well as the importance of organisational structures and emerging issues, Introduction to Organisational Behaviour gives understanding and guidance on the full spectrum of organisational behaviour issues. Supported by extensive online resources including video interviews, clips of key skills lecture slides, additional tutorial activities and a test bank of multiple choice questions make this a truly integrated print and electronic learning package.

Organizational Behavior - Joseph E. Champoux
2010-09-07

The fourth edition of Organizational Behaviour: Integrating Individuals, Groups and Organizations is a well-organized introduction to the current field of organizational behavior with in-depth coverage of the most critical concepts. Its practical approach shows the power of organizational behavior theory for understanding one's behavior and the behavior of others in any organization. Although firmly grounded in behavioral science theory and research, the text is not a compendium of research findings. Champoux includes examples and builds frameworks that make the material clear and easy to understand. The concise format allows the text to be used as a primer or to be

supplemented with additional cases, readings, or exercises. More interactive than in previous editions, this text provides students with several online features to reinforce their knowledge of chapter content with exercises, practice and other learning opportunities. An extraordinary supplementary package, all prepared by the author, is innovative and extensive in its content.

Organizational Behavior in Health Care -

Nancy Borkowski 2009-12-23

Organizational Behavior in Health Care was written to assist those who are on the frontline of the industry everyday—healthcare managers who must motivate and lead very diverse populations in a constantly changing environment. Designed for graduate-level study, this book introduces the reader to the behavioral science literature relevant to the study of individual and group behavior, specifically in healthcare organizational settings. Using an applied focus, it provides a clear and concise overview of the essential topics in organizational behavior from the healthcare manager's perspective. Organizational Behavior in Health Care examines the many aspects of organizational behavior, such as individuals' perceptions and attitudes, diversity, communication, motivation, leadership, power, stress, conflict management, negotiation models, group dynamics, team building, and managing organizational change. Each chapter contains learning objectives, summaries, case studies or other types of activities, such as, self-assessment exercises or evaluation.

Motivation A Key to Success - Dr Savita Mishra

Managing and Organizations - Stewart R Clegg
2011-11-28

Electronic Inspection Copy available for instructors here Now in its Third Edition, this unique and highly esteemed text goes from strength to strength, continuing to offer: seamless coverage of the essential topics of organizational behaviour a realist's guide to management capturing the complex life of organizations (the paradoxical, emotional, insecure, self-confident, responsible, irresponsible) and delivers the key themes and debates in an accessible way interactive, instructive (and fun) learning aids and features, both in the text and on the Companion Website

Organizational Culture and Leadership - Edgar H. Schein 2010-07-16

Regarded as one of the most influential management books of all time, this fourth edition of Leadership and Organizational Culture transforms the abstract concept of culture into a tool that can be used to better shape the dynamics of organization and change. This updated edition focuses on today's business realities. Edgar Schein draws on a wide range of contemporary research to redefine culture and demonstrate the crucial role leaders play in successfully applying the principles of culture to achieve their organizational goals.

M: Organizational Behavior - Steven McShane 2018-02-13

M: Organizational Behavior, 4th edition by McShane and Von Glinow delivers essential OB knowledge in an accessible, student-focused style. Students learn the latest concepts and associated workplace practices, with real-world examples to demonstrate their relevance. This book builds on the strengths of the main textbook, including a strong literature foundation, excellent readability, meaningful exhibits, and a global representation of examples. Through Connect, students also have access to dozens of

self-assessments and learning activities. Our most affordable offering, this book also adopts the view that OB is for everyone in organizations, not just for managers.

Extracts from Organisational Behaviour : Individuals, Groups and Organisation, 4th Edition - 2008

Classic Readings in Organizational Behavior - J. Steven Ott 2003

CLASSIC READINGS IN ORGANIZATIONAL BEHAVIOR is organized around the field's most discussed themes: leadership, motivation, individuals in teams and groups, effects of the work environment on individuals, power and influence, and organizational change. Within each of these thematic sections, the readings are presented chronologically so students can understand the development of specific theories, as well as the overall development of the field of organizational behavior. Because of this effective organization and a thorough introduction, many instructors use this reader as the sole text for their courses.

Organisational Behaviour - Ian Brooks 2007-06-28

This Value Pack consists of Organisational Behaviour: Individuals, Groups and Organisation, 3/e by Brooks plus Organisational Behaviour: Individuals, Groups and Organisation/Management, 1/e; 1/e (ISBN: 9781405883443)

Work and Organizational Behaviour - John Bratton 2020-11-18

Critical and accessible, the new edition of this bestselling textbook offers valuable insight into contemporary management practices and encourages readers to reflect on the realities of the workplace. Work and Organizational Behaviour takes a unique and well-rounded approach, exploring key theories and topics through the lenses of sociology, psychology, ethics and sustainability. Firmly embedded in the latest research and the wider geopolitical environment, this new edition places OB in the context of climate change, the rise of unstable working conditions and the impact of new technologies. A strong suite of pedagogy supports student learning, demonstrating key theories in action and preparing readers for the real world of work. Cases and features illustrate

contemporary organizational practices and their impact across the world, in a range of industries. With streamlined content, an improved structure, and an enhanced focus on leadership, *Work and Organizational Behaviour* is an essential companion for OB modules at undergraduate, postgraduate and MBA levels. New to this Edition: - New chapters on 'Work and the gig economy' and 'Human resource management' - New decision making scenarios helping readers to develop practical leadership skills - 200+ new references to recent academic literature - Inclusion of important contemporary topics, including Covid-19 and the gig economy - Coverage of new technologies, including the impact of AI, robots, remote working and big data - Increased coverage of corporate social responsibility and ethics - New end of chapter cases, Reality of Work features and Globalization and Organization Behaviour features

Organizational Behavior - Joseph E. Champoux
2006

Provides an introduction to the field of organizational behavior, covering critical concepts. This book provides students with online features to reinforce their knowledge of chapter content with exercises, practice and other learning opportunities.

Organizational Behavior - Steven McShane
2000-06

Organizational Behavior - Talya Bauer 2021

Organisational Behaviour - Christine Cross
2018-03-13

This refreshing textbook shows how research into human behaviour can be applied in the workplace. It is focussed on helping students to develop the key skills they will need as future managers and employees. It assumes no prior work experience, and instead asks students to draw on their everyday experiences. They are invited to complete a range of innovative activities designed to deepen their understanding of key topics, such as personality, perception, and motivation. The book is an ideal length for one-semester taught courses. It is aimed primarily at first and second year undergraduate students on business and management degrees, who are taking OB modules for the first time, though could also be used on postgraduate and

MBA courses.

Organizational Behavior - J Stewart Black
2019-06-05

A less-expensive grayscale paperback version is available. Search for ISBN 9781680922875. The field of management and organizational behavior exists today in a constant state of evolution and change. Casual readers of publications like the New York Times, The Economist and the Wall Street Journal will learn about the dynamic nature of organizations in today's ever-changing business environment. *Organizational Behavior* is designed to meet the scope and sequence requirements of the introductory course on *Organizational Behavior*. This is a traditional approach to organizational behavior. The table of contents of this book was designed to address two main themes. What are the variables that affect how, when, where, and why managers perform their jobs? What theories and techniques are used by successful managers at a variety of organizational levels to achieve and exceed objectives effectively and efficiently throughout their careers? Management is a broad business discipline, and the *Organizational Behavior* course covers many areas such as individual and group behavior at work, as well as organizational processes such as communication in the workplace and managing conflict and negotiation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters. Finally, we all made an effort to present a balanced approach to gender and diversity throughout the text in the examples used, the photographs selected, and the use of both male and female in alternating chapters when referring to generic managers or employees.

Business Psychology and Organizational Behaviour - Eugene McKenna 2020-05-13

Business Psychology and Organizational Behaviour introduces principles and concepts in psychology and organizational behaviour with emphasis on relevance and applications. Well organised and clearly written, it draws on a sound theoretical and applied base, and utilizes real-life examples, theories, and research findings of relevance to the world of business and work. The new edition of this best-selling textbook has been revised and updated with

expanded and new material, including: proactive personality and situational theory in personality; theory of purposeful work behaviour; emotional and social anxiety in communication; decision biases and errors; and right brain activity and creativity, to name a few. There are numerous helpful features such as learning outcomes, chapter summaries, review questions, a glossary, and a comprehensive bibliography. Illustrations of practice and relevant theory and research also take the reader through individual, group, and organizational perspectives. This is an essential textbook for undergraduates and postgraduates studying psychology and organizational behaviour. What is more, it can be profitably used on degree, diploma, professional, and short courses. It's also likely to be of interest to the reflective practitioner in work organizations.

Organisational Behaviour - S S Khanka 2006
For the students of MBA, PGDBM, M.Com. And other Management Courses. Contains a variety of real-life examples. Glossary given at the end of the book enables students to have knowledge and be familiar with the important key terms used.

Organizational Behaviour - Daniel King 2016
Organizational Behaviour is the only text to use a running case study to demonstrate the application of organizational behaviour in the real world, helping students with limited or no real-life experience of the business world to engage critically and effectively with the subject.

Organisational Behaviour - Ian Brooks 2017-11

Understanding and Managing Organizational Behaviour Global Edition - Jennifer M. George 2014-09-10

For one-semester, undergraduate/graduate level courses in Organizational Behavior. This title is a Pearson Global Edition. The Editorial team at Pearson has worked closely with educators around the world to include content which is especially relevant to students outside the United States. Vivid examples, thought-provoking activities—get students engaged in OB. George/Jones uses real-world examples, thought- and discussion-provoking learning activities to help students become more engaged in what they are learning. This text also provides the most contemporary and up-to-date account of the changing issues involved in managing people

in organizations. The sixth edition features new cases, material addressing the economic crisis, and expanded coverage of ethics and workplace diversity. Accompanied by mymanagementlab! See the hands in the air, hear the roar of discussion—be a rock star in the classroom. mymanagementlab makes it easier for you to rock the classroom by helping you hold students accountable for class preparation, and getting students engaged in the material through an array of relevant teaching and media resources. Visit mymanagementlab.com for more information.

Classics of Organizational Behavior - Walter E. Natemeyer 2011

Organizational Behavior - Joseph E. Champoux 2010-09-07

Presents an introduction to the field of organizational behavior. This title follows a practical approach that shows the power of organizational behavior theory for understanding one's behavior and the behavior of others in any organization.

Introducing Organizational Behaviour and Management - Joanna Brewis 2012

This popular textbook offers an inspiring and focused introduction to the study of organizational behaviour and management. The second edition builds on the fresh and innovative approach to the study of management and organization introduced in the first edition. To make the subject matter more relevant and accessible, it treats organizational behaviour as a field of activity that has many parallels with everyday life, particularly in relation to participating in organizations and institutions. Uniquely, this textbook presents two distinct and highly contrasting perspectives on organizational behaviour, discussing the alternative critical perspectives alongside the more traditional approaches, to encourage critical thinking and debate. Each chapter has been fully updated by specialist authors who are committed to thinking differently about the field of organizational behaviour. They effectively identify and explore the key concepts that underpin this diverse subject in their respective chapters, utilising a range of international and everyday examples. The second edition benefits from a new four-colour design and uses a variety of pedagogical

features to engage students and provide a stimulating learning - and teaching - environment. This text is ideal for use on introductory undergraduate and post graduate courses in Organizational Behaviour and Management. This textbook is autopackaged with CourseMate. CourseMate brings course concepts to life with interactive learning, study, and exam preparation tools that support the printed textbook and the textbook-specific website. CourseMate includes an integrated eBook and interactive teaching and learning tools including quizzes, flashcards, videos, and more and an EngagementTracker, a first-of-its-kind tool that monitors student engagement in the course.

PERSON CENTRED CARE THEORY AND PRACTICES - Dr. Zuber M. Shaikh 2021-07-28
In this book the theory and practices of Person Centered Care has been elaborated in detail.
Organizational Behavior - Michael A. Hitt 2016

A Primer on Organizational Behavior - James L. Bowditch 2007-11-19

This book introduces the reader to terms and concepts that are necessary to understand OB and their application to modern organizations. It also offers sufficient grounding in the field that enables the reader to read scholarly publications such as HR, CMR, and AMJ. This edition features new material on emotional intelligence, knowledge management, group dynamics, virtual teams, organizational change, and organizational structure.

Organizational Behavior - Michael A. Hitt 2014-10-27

Hitt/Miller/Colella, *Organizational Behavior* helps students understand the impact of effective management of people, teams and groups on organizational performance. Through this strategic framework, the authors illustrate organizational behavior as critical to implementing strategy, gaining competitive advantages, and ensuring positive organizational results. The 4th Edition includes the latest research and literature pertaining to pressing topics like global contexts, motivation and leadership. With features that offer managerial advice, highlight strategic initiatives and provide opportunities for self-assessment and analysis, the text encourages students to understand the value of OB to organizational success and to their

future careers.

Organizational Behavior - Christopher P. Neck 2018-11-29

Why does organizational behavior matter - isn't it just common sense? *Organizational Behavior: A Skill-Building Approach* helps students answer this by providing insight into OB concepts and processes through an interactive skill-building approach. Translating the latest research into practical applications and best practices, authors Christopher P. Neck, Jeffery D. Houghton, and Emma L. Murray unpack how managers can develop their managerial skills to unleash the potential of their employees. The text examines how individual characteristics, group dynamics, and organizational factors affect performance, motivation, and job satisfaction, providing students with a holistic understanding of OB. Packed with critical thinking opportunities, experiential exercises, and self-assessments, the new Second Edition provides students with a fun, hands-on introduction to the fascinating world of OB.

Organizational Behaviour - Stephen Perkins 2013-01-03

There is a large body of shared knowledge between the study of Organizational Behaviour and Human Resource Management but despite the crossover, they are often treated as very distinct disciplines. Written by a team of experts across both fields, *Organizational Behaviour* bridges the gap between OB and HRM, with an emphasis on inter-cultural and cross-cultural perspectives of organizational development, talent management, and leadership. Through a critical analysis of existing literature and case studies, the contributors cover topics such as corporate governance, ethical business practices, employee morale and motivation, performance management, corporate politics and conflict resolution, workplace diversity, creativity, and change management - all within the framework of current global employment standards and best practices.

Leadership in Health and Social Care - Louise Jones 2012-09-01

From reviews: "I found this book to be an excellent read... My favourite part is at the end of each chapter where the authors very kindly give a chapter summary. I would say this, with learning outcomes for each chapter, is the

reader's 'pot of gold' – and an excellent resource for students. The social and political stance of this text is sensitively weaved throughout, encouraging the wider thought processes of the reader. Images and illustrations provide a welcome and useful change to the traditional academic text, and I would recommend the book as an important reference resource for those starting on their leadership journey, or for those wanting to update. A well-informed, easy read that I will be recommending to our students to support their studies." *The Biomedical Scientist*, 2013: 70 (4) "This is an excellent book for anyone who is starting to take an interest in Leadership within their health or social care role... Overall, the book is clearly aimed at practitioners and should be a 'must-read' for those who wish to understand more about practical leadership and who aspire to more senior positions within their field of practice." Lecturer, Staffordshire University Faculty of Health Sciences Leadership in Health and Social Care is an accessible text for students and practitioners seeking to develop their leadership skills. "I commend this book to you as a 'way in' to the leadership world for anyone working in health and social care. It treats you like an adult and expects you to take responsibility for your own leadership development. We now know that good leadership has a direct relationship with good services and we can certainly no longer afford mediocrity. We need leaders to enable the disruptive innovation that will be required to improve the quality of care with less resource to do so." From the Foreword by Karen Middleton, Chief Health Professions Officer for England. Key features:

- Introduces the concept of leadership and its importance in health and social care.
- Discusses the skills and qualities that make for effective leadership.
- Analyses the role of the leader as a catalyst for change.
- Helps readers to explore their own perceptions of leadership through activities and scenarios.

Organizational Behavior - John A. Wagner
2020-12-30

The management of organizational behavior is a critically important source of competitive advantage in today's organizations. Managers must be able to capitalize on employees' individual differences as jobs are designed, teams are formed, work is structured, and

change is facilitated. This textbook, now in its third edition, provides its readers with the knowledge required to succeed as managers under these circumstances. In this book, John Wagner and John Hollenbeck make the key connection between theory and practice to help students excel as managers charged with the task of securing competitive advantage. They present students with a variety of helpful learning tools, including:

- Coverage of the full spectrum of organizational behavior topics
- Managerial models that are based in many instances on hundreds of research studies and decades of management practice
- not the latest fad
- Completely new introductory mini-cases and updated examples throughout the text to help students contextualize organizational behavior theory and understand its application in today's business world

This ideal book for upper-level undergraduate and postgraduate students of organizational behavior is written to motivate exceptional student performance and contribute to their lasting managerial success. Online resources, including PowerPoint slides and test banks, round out this essential resource for instructors and students of organizational behavior.

Organizational Behavior and Management in Law Enforcement - Harry W. More 2012

For all college courses in police administration or organizational behavior, and as a reference for police managers or officers preparing for promotional exams. This text provides a clear, concise, realistic, and up-to-date blueprint for successful police management. Drawing on decades of experience as practitioners, consultants, trainers and researchers, the authors fully reflect current theory and practice, while accurately capturing the "feel" of real-world law enforcement management. They focus on organizational behavior to promote a deeper understanding of both the police organization as a whole, as well as key interactions among officers, managers, and the community. This edition integrates the latest research, and presents all-new chapters on performance-based management and organizational development. It offers expanded coverage of leadership, team-building, stress management, and many other topics; as well as 39 new cases.

Organizational Behaviour and Work - Fiona M.

Wilson 2018

A critical yet accessible introduction to organisational behaviour and work, this book will help you understand the complexities of organisational life and evaluate modern business practices. Classic organisational behaviour topics such as team-working, motivation, and change are complemented by core critical approaches such as power and control, organisational misbehaviour, and health and well-being through a clear three-part structure. Students are encouraged to look beyond a descriptive approach and truly engage with the content. Examples and 'Stop and Think' boxes placed throughout chapters, as well as end-of-chapter case studies with accompanying questions, provide the opportunity for this engagement and show how each chapter's theoretical coverage applies in real-life business situations.

Organizational Behaviour - Andrzej Huczynski
2009-07-01

This text encourages participate teaching and active learning through a structured style and format, with each chapter containing a list of key concepts and objectives.

Organizational Behaviour - Paul E. Smith

2020-09-23

Clear, concise, and written by experts currently lecturing in the field, Organizational Behaviour focuses exclusively on what you need to know for success in your business course and today's global economy. The text brings together a vast range of ideas, models, and concepts on organizational behaviour from an array of fields, such as psychology, sociology, history, economics, and politics. This information is presented in bite-sized, digestible pieces to create an accessible and engaging style that makes it the perfect text for introductory courses covering organizations. Key features include: a clear and thought-provoking introduction to organizational behaviour relevant, cutting-edge case studies with global focus hot topics such as eOrganizations, ethics, and diversity, keeping you up-to-date with current business thinking further reading, summaries, activities, key theme boxes, and review questions to help reinforce your understanding This textbook will be a valuable resource for students of business and management studies, organization studies, psychology, and sociology.
