Strong Feelings - Jon Elster 2009-01-01

Emotion and addiction lie on a continuum between simple visceral drives such as hunger, thirst, and sexual desire at one end and calm, rational decision making at the other. Although emotion and addiction involve visceral motivation, they are also closely linked to cognition and culture. They thus provide the ideal vehicle for Jon Elster's study of the interrelation between three explanatory approaches to behavior: neurobiology, culture, and choice. The book is organized around parallel analyses of emotion and addiction in order to bring out similarities as well as differences. Elster's study sheds fresh light on the generation of human behavior, ultimately revealing how cognition, choice, and rationality are undermined by the physical processes that underlie strong emotions and cravings. This book will be of particular interest to those studying the variety of human motivations who are dissatisfied with the prevailing reductionisms. *Not for sale in Belgium, France, or Switzerland.

Each day involves countless interactions with others—not only among family and friends but also with neighbors, coworkers, even telephone solicitors. An attitude of love may not be your top priority in some of these encounters. But what if the ancient maxim "love your neighbor as yourself" applied to everyone, including those you meet in the most ordinary circumstances? By giving love, instead of grabbing for it, you'll become the person others want to love in return, no matter what their role in your life. Relationship expert Dr. Gary Chapman applies the seven characteristics of authentic love to family life, friendship, the workplace, and beyond. Eye-opening personal assessments uncover relational strengths and weaknesses, while real-life stories and ideas for building habits of love will inspire you to grow into the complete person you were meant/created to be. The Last Good Man - A.J. Kazinski 2012-03-29

According to Jewish scripture, there are thirty-six righteous people on earth. Without them, humanity would perish. But the thirty-six do not know that they are the chosen ones. In Beijing, a monk collapses in his chamber. A fiery mark has spread across his back and down his spine. In Mumbai, a man who served the poor dies suddenly. His body shows the same mark. Similar deaths are reported in cities around the world - the victims all humanitarians, all with the same death mark. In Copenhagen, it falls to veteran detective Niels Bentzon to investigate. He is told to find eight 'good people' of Denmark and warn them of this threat. But Bentzon is trained to see the worst in people and he becomes increasingly skeptical as he realizes that not everyone perceived to be good is truly good. It is only when Niels meets Hannah, a brilliant astrophysicist mourning the death of her husband, that the pair begin to piece together the puzzle and a pattern emerges. There have been thirty-four deaths and there are two more to come. According to the pattern, Bentzon and Hannah can predict the time and place of the final two. The murders will occur in Venice and Copenhagen. And the time is now. 'A breathtaking thriller' Ekstra Bladet 'A catching and entertaining story told with breathtaking pace' Politiken 'Beautifully done . . . and the ending is truly surprising' litteratursiden.dk

Bulletproof Marriage – English Edition – Renato & Cristiane Cardoso 2015-01-13

Marriage was God's idea. He decided that man and woman should be "one flesh". Furthermore, the Bible says "God is love". Unfortunately, many couples never learned to love each other. A feeling, passion or some other influence brought them together, but they never learned how to study or explore each other, or discover what makes them happy. When you do not know another person it is impossible to love them because you do not know what pleases or annoys them, their dreams and struggles, or how they think. In such ignorance, you will make many mistakes in your relationship and so cause many problems. These problems will cause you to withdraw, even though you are married and were in love at one time. If you have been wondering: Do I still love my husband/wife Did I marry the wrong person Why is my partner so cold to me Why do we love each other but can't stay together? How can I make sure my marriage lasts? How can I live with a person who is so difficult? Why do our problems go away, but then come back worse

than before? Is my marriage always going to be about hardships, or will I find happiness one day? Cheer up! You will learn how to love intelligently and how to be happy with your spouse, even if he (or she) acts like King Kong.

Thou Art That is a compilation of previously uncollected essays and lectures by Joseph Campbell that focus on the Judeo-Christian tradition. Campbell explores common religious symbols, reexamining and reinterpreting them in the context of his remarkable knowledge of world mythology. Campbell believed that society often confuses the literal and metaphorical interpretations of religious stories and symbols. In this collection, he eloquently reestablishes these symbols as a means to enhance spiritual understanding and mystical revelation. With characteristic verve, he ranges from rich storytelling to insightful comparative scholarship. Included is editor Eugene Kennedy's classic interview with Campbell in the *New York Times Magazine*, which originally brought the scholar to the attention of the public.

The profile of a man of God - Edir Macedo 2018-07-17
God needs people who are filled with the Holy Spirit, who are worried about their own will or future, and who have adopted the character of the Lord Jesus. These people need to think like He thinks, speak like He speaks, behave like He behaves, and feel like He feels. These people must embrace their faith in the Lord Jesus in order to be tools in God's hands and reveal His character to the world. The Lord Jesus said that many are called but few are chosen. But who is chosen. But who is chosen? How are they identified? Why were anointed men of the past different from men today? In *The Profile of a Man of God*, Bishop Macedo tries to answer these and many other questions based on what he has seen in the Work of God and, above all, in His Word. *Dethroning the King* - Julie MacIntosh 2011-09-20
How the King of Beers collapsed without a fight and what it means for America's place in the post-Recession world
How did InBev, a Belgian company controlled by Brazilians, takeover one of America's most beloved

brands with scarcely a whimper of opposition? Chalk it up to perfect timing—and some unexpected help from powerful members of the Busch dynasty, the very family that had run the company for more than a century. In *Dethroning the King*, Julie MacIntosh, the award-winning financial journalist who led coverage of the takeover for the *Financial Times*, details how the drama that unfolded at Anheuser-Busch in 2008 went largely unreported as the world tumbled into a global economic crisis second only to the Great Depression. Today, as the dust settles, questions are being asked about how the "King of Beers" was so easily captured by a foreign corporation, and whether the company's fall mirrors America's dwindling financial and political dominance as a nation. Discusses how the takeover of Anheuser-Busch will be seen as a defining moment in U.S. business history. Reveals the critical missteps taken by the Busch family and the Anheuser-Busch board. Argues that Anheuser-Busch had a chance to save itself from InBev's clutches, but infighting and dysfunctionality behind the scenes forced it to capitulate. From America's heartland to the European continent to Brazil, *Dethroning the King* is the ultimate corporate caper and a fascinating case study that's both wide reaching and profound.
