EBOOK: Financial Accounting - Robert Libby 2014-04-16

This Global edition has been designed specifically to meet the needs of international financial accounting

students. The text successfully implements a real-world, single focuscompany approach in every chapter. The companies chosen are engaging and the decision-making focus shows the relevance of financial accounting in the real world. In addition to the latest examples of both contemporary and traditional topics, new material has been added to make the content more relevant and improve learning outcomes for the international student.
