*Sustainability Accounting and Accountability* - Delphine Gibassier

2010-12-14

This exciting book is one of the first textbooks in the fast growing area of sustainability accounting. Contributed to,

and edited by an impressive array of internationally renowned authorities, it focuses on the use of sustainability accounting both as an external accountability mechanism (external reporting) and as a tool for helping managers assess and manage the social and environmental impacts of their operations (management accounting). Using real-life examples and case studies to emphasize the links between the conceptual basis and issues in practice, this outstanding book addresses the growing interest among both practitioners and academics in social, environmental and ethical accountability, as interpreted through the lens of sustainable development.

**Steal the Reaper** - Todd Hosea 2020-10-30

The most advanced warship on Earth is not of this world. A mysterious spacecraft has crashed inside North Korea and is now in the hands of a tyrannical dictator who will stop at nothing to unlock its secrets and bring the West to its knees. As tensions rise in the wake of this unimaginable threat, North Korea's Supreme Leader is unaware that a smaller vessel, known as the Reaper, lays hidden within the wreckage. Its revolutionary purpose could either save humanity or cause its extinction. Meanwhile, Captain Ava Tan is recruited for the boldest mission in military history: Steal the Reaper. Operation Sundiver is a daring heist that calls for Ava to infiltrate North

Korea - the most isolated country on the planet - avoid triggering World War III, and pilot an alien vessel that is light years beyond anything she has ever flown before. It is a suicide mission that will test Ava's courage and force her to decide where her loyalties truly lie. Earth's fate hangs in the balance and the clock is ticking.

*International Business* - Shad Morris  
2020-01-09

"Welcome to International Business Second Edition (IB)-a cuttingedge platform for learning about international business. Interactive, modular, and innovative, this

easy-to-use textbook answers two key questions: 1. What does today's global market look like? 2. How do businesses succeed within the global market?

Interactive International Business meets your students where they live and learn with digital resources such as white-board animations and seamlessly embedded videos. Interactive resources illustrate content for students while deepening their understanding, focusing their attention, and significantly shortening readings. In fact, this text is 1/2 to 3/4 the length of most international business textbooks-with even richer content"--

Architects of Change - Jeremy Ghez  
2019-09-09

What is the difference between a fire fighter and an architect? One deals with crises as they arise while the other is capable of building something that can withstand all weathers. Using this analogy,

Architects of Change provides you with the tools to grasp, leverage and harness the dynamics that shape tomorrow's markets. It encourages you to nurture an entrepreneurial mind-set to transform the way a business – or even an entire industry – operates. Tackling crucial topics related to geopolitics, creative destruction, fake news, resilience and creativity, this book gives you the tools to analyse your environment and future trends in order to reinvent the way you do business. It teaches you how to:

- Identify actors of change
- Conduct simulations about the future
- Assess threats of political instability
- Build a strategy for a profitable and sustainable firm amid ongoing uncertainty
- Become an architect of change yourself.

Containing original interviews with industry insiders, including a world-famous expert on brands and luxury, the former CEO of a major think tank, a thought leader from

CISCO, the former chairman of the US National Intelligence Council, and a former chief political scientist of a large Asian bank, this book helps you to understand the type of imagination and creativity this business environment requires not only to survive, but thrive.

**Strategic Management** - Gregory G. Dess 2005

Strategic Management: Text and Cases, 2nd Edition, by Dess/Lumpkin/Eisner is both readable and rigorous - written for today's student. A rocket-ship in its first edition, the revision continues to provide solid treatment of traditional topics in strategic management, as well as contemporary topics like entrepreneurship, knowledge management, and internet strategies. The prestigious author team

understands the importance of thorough, modern concepts illustrated by rich, relevant and teachable cases. The new case selections emphasize variety, currency, and familiar company names. The cases are up-to-date in terms of both financial data and strategic issues. This group of cases gives both instructors and students unparalleled quality and variety. Based on consistent reviewer feedback, these selections combine comprehensive and shorter length cases about well known companies.
