*Musimathics, Volume 1* - Gareth Loy  
2011-08-19

A commonsense, self-contained  
introduction to the mathematics and  
physics of music; essential reading  
for musicians, music engineers, and  
anyone interested in the intersection  
of art and science. "Mathematics can  
be as effortless as humming a tune,  
if you know the tune," writes Gareth  
Loy. In *Musimathics*, Loy teaches us  
the tune, providing a friendly and  
spirited tour of the mathematics of  
music—a commonsense, self-contained  
introduction for the nonspecialist  
reader. It is designed for musicians  
who find their art increasingly  
mediated by technology, and for  
anyone who is interested in the  
intersection of art and science. In  
Volume 1, Loy presents the materials

of music (notes, intervals, and  
scales); the physical properties of  
music (frequency, amplitude,  
duration, and timbre); the perception  
of music and sound (how we hear); and  
music composition. Calling himself "a  
composer seduced into mathematics,"  
Loy provides answers to foundational  
questions about the mathematics of  
music accessibly yet rigorously. The  
examples given are all practical  
problems in music and audio.  
Additional material can be found at

*Guarding the Single Mother* - Leslie North

Retired Navy SEAL, Clint Backwater, enjoys his solitary life as owner of the Ask Questions Later gun range. It's the kind of place you find because you know a guy. So when Leila Ortiz, a petite woman with a "baby on board" sticker on the back of her car—and an 18-month-old boy in her arms—shows up at the range, panicked and desperate for a gun, he knows something is wrong. Having grown up in the foster system, Clint has seen what happens when you let yourself get too invested—things get messy, people leave. He made himself a promise to never get emotionally involved again, but the former SEAL in him feels the tug to help this woman and her child. Leila's ex-husband is being released from prison early on good behavior and she found out too late. He was supposed to serve five years, not two, and Leila is unprepared to protect herself and her son. She promised him they'd never run again—they've made a nice life for themselves and the last thing she wants to do is leave it all behind. When Clint refuses to give Leila a gun without lessons, she agrees to return to the range to learn. At first, Leila won't say why she's so desperate for protection, but when the threats from her ex escalate, it becomes clear what she's afraid of. Clint is a loner. Always has been, always will be. So when Leila and her little son enter his life, it hits him—hard—maybe being alone isn't what he needs. Still, having his solitary life disrupted when he invites the little family into his home is a bit tougher to take than he thought. With Leila and her son in danger, though, he'll do whatever it takes to keep them safe—even putting up with stray toys and changing a nappy or two. But the

biggest danger might be to his heart, when it starts to look like the safest thing for Leila and her baby might be to leave her problems—and her budding relationship with Clint—behind.

**Wild War** - Laurelin Paige 2021-06-29

As soon as I saw him, it was war. I thought at first it would be between me and him. Cade was cold and hard and didn't want anything to do with the headmaster's daughter. I was off-limits. He didn't need that kind of trouble. I didn't need that kind of trouble, either. And since I did my best to avoid any kind of trouble, that should have been the end of it. But when I saw him, he also saw me. All of me. The lonely parts. The dark parts. The secret parts. He became my ally. I lost the battle with myself and fell in love despite the risk. But the war isn't over for either of us. Not as long as my father is alive.

*Rush - Complete Series* - Lucia Jordan 2014-11-12

Immediately she sees that the larger than life architect has an even bigger ego. The mystery that surrounds him is hypnotizing. There is just something about him that draws her in. He oozes sexuality and his lilting Spanish accent makes her insides flutter. But as she learns, architecture isn't his only talent. A hot and steamy night at work leads to far more than she could ever expect. But does Kendra have what it takes to deal with the pressures that come with her day job while allowing Sebastian to handle her at night? *Small Town Pretender* - Brighton Walsh 2021-06-24

To make a small town believe a fake

marriage, it has to look like the real thing. Natalie Haven couldn't get away from the suffocation of her hometown fast enough. Fluttering around the globe as a freelance photographer is far more to her liking. Even better that her unconventional job pisses off her daddy. But when her best friend sends out an SOS, all her running comes to an end and she returns to the small southern town. Asher McCoy can win over a crowd with a husky note and a strum of his guitar. Wooing a judge and proving he's responsible enough to take custody of his niece and nephew won't be so easy. But marriage makes any man look more respectable, and his best friend will be the perfect bride. Except for the tiny detail that their fake marriage has to look real, which means living in the same house and sleeping in only one bed—not to mention inciting an undeniable attraction between them. But convincing Nat to put down roots in her hometown—and with him—will prove even more impossible than winning over the toughest judge. Small Town Pretender is book five in the Havenbrook series, but it can be read and enjoyed without reading any other Havenbrook books. Each full length book in this series can be read on its own. *DNS FIT KID Exercise Journal* - Eliška Urbářová 2020-03-25

DNS Exercise Journal - A brochure for kids This journal or DNS Fit Kid App is intended for coaches and therapists who use DNS FIT KID in their practice, particularly those working with young children and their parents. The application consists of twenty exercises based on five developmental positions and serves as a home exercise program for children aimed at both the treatment and prevention of musculoskeletal pain. More generally, these exercises can also be used as a fundamental, dynamic warm-up for not only common recreational play, but also youth athletic training. The DNS exercise app explains the developmental exercise positions to children in a fun, relatable manner, comparing them with the way animals characteristically move and pose. The concise text and colorful illustrations help to explain not only how the child ought to move, but also what they should feel during each movement or position. Of course, these also describe how to detect and correct errors and movement faults typically found with each exercise. Furthermore, in order to help train exercise transitions, movement memory, mimicry, and team exercise (while also incorporating speech development), the DNS app has included a variety of rhythmic songs that are meant to be sung along with every global movement routine. By incorporating both animal imagery and catchy songs into each routine, the DNS Fit Kid App motivates children to exercise regularly in a pleasurable, playful way, while also emphasizing DNS principles like optimal posture and ideal movement coordination.

Which means only one type of man will do...She needs a rake, a man who will barely notice his own wife in favour of his own pursuits. It's the perfect plan. All she has to do is not fall in love... And most definitely not with the irritatingly handsome Baron Huntingford. He needs a wife. Preferably someone who is not Miss Whitfield... More at home on the battlefield than in a ballroom, Aaron, Baron Huntingford, is still getting used to his title and being a man of leisure rather than a soldier. A rake with a dangerous reputation he's used to any woman he wants falling at his feet, but Miss Whitfield is not like other debutantes. For one thing, she seems to actively dislike him. For another, she's his best friend's new sister-in-law, and therefore off limits. Never mind that he craves her touch and to find out if her lips taste as sweet as they look. But when he finds out about her scheme to bring a rake to the altar, all bets are off. If she wants a rake, she'll get one. Him. DEADLINE - Résumés for the Account Executive position must be received no later than 10 am this morning. She checks her phone - 9:51 am. Panicking, she darts toward the information desk. At first, Rebecca has no idea what she's run into - a moving brick wall? Crashing to the floor, her latte and portfolio launch into the air. Her first thought - thankfully, my documents are in a protective cover. Then a set of large hands wrap around her arms and a deep

rumbling voice echoes above. "Jesus Christ! This is not a schoolyard, young lady!" Rebecca slowly peers up, her eyes anchoring on the most gorgeous creature she has ever seen. His beautiful cobalt blue eyes shine like stars against a perfect bronze tan, emphasized by neatly combed black hair that flawlessly tapers to meet a designer beard. She can feel the power radiating off his 6'4" GQ cover body as he wipes her latte from his crisp white shirt and expensive Armani suit. Though, today's interview will be conducted by the one and only - Aiden Collins himself. Yep. That's right. That means her fate at Collins Enterprises now lies solely in his hands. On the bright side, it's been three weeks since the latte incident, and after all, she has made it this far. That must mean he's forgotten. Right? - I absolutely love this book!!! I'm not much of a reader, but this book caught my attention, and I was hooked - Sherree
