Dancing Theology in Fetish Boots - Lisa Isherwood 2010

Marcella Althaus-Reid was one of the most fascinating and controversial theologians of the twentieth and early twenty-first century. Her strong personality and her iconoclastic work inspired a whole generation of theologians in the UK and worldwide. Marcella's creative life was cut short by her death from cancer in 2009. Yet she lives on, not least in those who have been inspired by her work and continue to engage with it. "Dancing Theology in Fetish Boots" draws together a number of world-class scholars and others who engage with the main themes of Marcella's work and show how the critical and controversial conversations which Marcella has begun can and do continue. It is therefore far more than a Festschrift, but a celebration of an intellectual life Marcella-style.

The Heart of "I Am" the Point of Divine Origin. - Robyn Mary Edwards 2019-08-12

The Heart Of "I AM" The Point Of Divine Origin (Parts One, Two and Three), is an unfolding journey, a study into the path of realization of the Divinity of Mankind. It reveals the secrets of Divinity, the truth within the Self, God made Manifest as the diversity of all life and

as your Immortal Being. The Heart Of "I AM" The Point Of Divine Origin (Parts One, Two and Three), is a journey of the soul's awakening evolution through Resurrection and Ascension. The soul's journey is taken through Alpha and Omega, the Body and Blood of the Self, as God's creation. With the remembrance of all aspects of the Self, we become the realization of the prosperity of the Heart, the understanding of the true Self; perfect creations, a manifestation of God's Heart, as seen through his Mind. This journey is the most comprehensive understanding of Alpha and Omega, starting from the Stargate of Father Mother God, through to the dimensions of Space formed forth as the Body through which the Blood, the knowing of the Self flows as Eternal Light. This unfolding fulfills the revelation of God, that all should know the truth of God.

Belinda Womack was a believer in Angels until the age of 12, when she decided she wanted to become a scientist. Years later, working in a biology lab, she found herself in the presence of the Archangel Gabriel and realized her calling as a spiritual conduit for Angelic healing and support. In this book she shares lessons, practices, and daily guidance from the 12 Archangels to help us listen to and heal our wounded inner child, release our fears, and enact deep subconscious transformation. Each word, transmitted directly from the 12 Archangels, carries their love, so

The Book of Kali - Seema Mohanty 2009-07

One of the most unconventional yet immensely popular deities in the Hindu pantheon, goddess Kali essentially represents the dark and contrary aspects of the cosmos. Her naked form and association with violence, blood and gore challenge the very concept of divinity. Yet, over the centuries, she has come to represent a whole gamut of conflicting images—from bloodthirsty ogress to benign goddess. So today while she is venerated as Chamunda, a deity who verges on the macabre and grotesque, she is also adored in household shrines in one of her milder forms, Dakshina-Kali. It is this evolution of Kali—from her origin as a tantric goddess to her metamorphosis

into a divinity in mainstream religion—that Seema Mohanty captures brilliantly in this book. Drawing upon a variety of sources—rituals associated with the worship of Kali, tales from the Ramayana, the Mahabharata, the Puranas, the Tantras and Agamas, folklore and films—she has succeeded in portraying in engrossing detail the myriad manifestations of the enigmatic deity that is Kali.

Extravagant Grace – Barbara R. Duguid 2013

Why do Christians even mature Christians still sin so often? Why doesn't God set us free? We seem to notice more sin in our lives all the time, and we wonder if our progress is a constant disappointment to God. Where is the joy and peace we read about in the Bible? Speaking from her own struggles, Barbara Duguid turns to the writings of John Newton to teach us a theology with a purpose for our failure and guilt one that adjusts our expectations of ourselves. Her empathetic, honest approach lifts our focus from our own performance back to the God who is bigger than our failures and who uses them. Rediscover how God's extravagant grace makes the gospel once again feel like the good news it truly is
And the Monkey Learned Nothing – Tom Lutz 2016-10

Tom Lutz is on a mission to visit every country on earth. And the Monkey Learned Nothing contains reports from fifty of them, most describing personal encounters in rarely visited spots, anecdotes from way off the beaten path. Traveling without an itinerary and without a goal, Lutz explores the Iranian love of poetry, the occupying Chinese army in Tibet, the amputee beggars in Cambodia, the hill tribes on Vietnam's Chinese border, the sociopathic monkeys of Bali, the dangerous fishermen and conmen of southern India, the salt flats of Uyumi in Peru, and floating hotels in French Guiana, introduces you to an Uzbeki prodigy in the market of Samarkand, an Azeri rental car clerk in Baku, guestworkers in Dubai, a military contractor in Jordan, cucuruchos in Guatemala, a Pentecostal preacher in rural El Salvador, a playboy in Nicaragua, employment agents in Singapore specializing in Tamil workers, prostitutes in Colombia

and the Dominican Republic, international bankers in Belarus, a teacher in Havana, border guards in Botswana, tango dancers in Argentina, a cook in Suriname, a juvenile thief in Uruguay, voters in Guyana, doctors in Tanzania and Lesotho, scary poker players in Moscow, reed dancers in Swaziland, young camel herders in Tunisia, Romanian missionaries in Macedonia, and musical groups in Mozambique. With an eye out for both the sublime and the ridiculous, Lutz falls, regularly, into the instant intimacy of the road with random strangers.
The Complete Works of Florence Scovel Shinn – Florence Scovel Shinn 2018

Florence Scovel Shinn taught metaphysics in New York for many years. Her meetings were well attended and in that way she was the means of bringing the message to a considerable number of people. Her books have had a wide circulation not only in America but abroad. They seem to have a knack of finding their way to remote and unexpected places in Europe and other parts of the world. Now and again we meet someone who came into Truth through finding a Florence Shinn book in the most improbable location. One secret of her success was that she was always herself . . . colloquial, informal, friendly, and humorous. She never sought to be literary, conventional, or impressive. For this reason she appealed to thousands who would not have taken the spiritual message through the more conservative and dignified forms, or have been willing to read . . . at least in the beginning . . . the standard metaphysical books. She herself was very spiritual, although this was usually hidden behind a matter of fact and carefree treatment of her subject. The technical or academic approach was not for her. She taught by familiar, practical, and everyday examples. She had been by profession an artist and book illustrator before becoming a Truth teacher, and belonged to an old Philadelphia family. She left a collection of notes and memoranda which have been made into the present book. May it have a wide circulation. –Emmet Fox

The Magic of Shapeshifting - Rosalyn Greene 2008-01-01
SHAPESHIFTERS are people with animal medicine, people who can connect with and use their animal powers. Those with access to this magical power can shift mentally, astrally, or even physically into their power animal or totem. Rosalyn Greene's ability to shift, both mentally and astrally, combined with her extensive study of the secret shapeshifting folklore, has resulted in this fascinating examination of all aspects and forms of shifting. This unique book helps you realize your potential for being a shapeshifter, giving detailed explanations about how the various forms of shifting occur. She shows you how to distinguish powerful visions, anxiety attacks, and imagination from real shifting, as well as how to recognize the warning signs of an imminent shift. Since there can be dangers and risks on both the mundane and psychic levels when you pursue the path of a shifter, many of the potential dangers associated with specific practices are carefully outlined. Shapeshifting is a spiritual journey, a very tough one, but very rewarding, linking us with both the fundamental power of animals and with the higher self. It has a purpose and reality far beyond simply using shifter abilities for earthly benefits; it can lead us through the unseen veil that separates us from our Selves.

Finding Zero - Amir D. Aczel 2015-01-06

The invention of numerals is perhaps the greatest abstraction the human mind has ever created. Virtually everything in our lives is digital, numerical, or quantified. The story of how and where we got these numerals, which we so depend on, has for thousands of years been shrouded in mystery. Finding Zero is an

adventure filled saga of Amir Aczel's lifelong obsession: to find the original sources of our numerals. Aczel has doggedly crisscrossed the ancient world, scouring dusty, moldy texts, cross examining so-called scholars who offered wildly differing sets of facts, and ultimately penetrating deep into a Cambodian jungle to find a definitive proof. Here, he takes the reader along for the ride. The history begins with the early Babylonian cuneiform numbers, followed by the later Greek and Roman letter numerals. Then Aczel asks the key question: where do the numbers we use today, the so-called Hindu-Arabic numerals, come from? It is this search that leads him to explore uncharted territory, to go on a grand quest into India, Thailand, Laos, Vietnam, and ultimately into the wilds of Cambodia. There he is blown away to find the earliest zero—the keystone of our entire system of numbers—on a crumbling, vine-covered wall of a seventh-century temple adorned with eaten-away erotic sculptures. While on this odyssey, Aczel meets a host of fascinating characters: academics in search of truth, jungle trekkers looking for adventure, surprisingly honest politicians, shameless smugglers, and treacherous archaeological thieves—who finally reveal where our numbers come from.

Conversations with Mary - Anna Raimondi 2017-10-17

Prominent spiritual counselor and medium Anna Raimondi channels the Blessed Mother in this insightful, prescriptive, and timely dialogue that not only acts as a guide to modern spirituality but celebrates the Mother Mary as a central figure for all people and religions across the globe. At age five, in the backyard of her suburban Long Island home, Anna Raimondi had a profound experience. A contemplative child, she slid her body into the small grotto that once held a statue of the Blessed Mother. Anna remembers "a feeling of pure and unadulterated peace." In that peace, she heard a voice. It was gentle and strong, and it said, "Anna, I am here for you always. Always come to me." That was the beginning of their first conversation. And while many more followed, the ones included in this book took place in the last year and follow Mary's emphatic, progressive message that she wants to be heard by all, regardless of religious affiliation. Through Anna, Mary touches and

teaches important truths about: - A soul, its immortal nature and the lessons along each soul's journey. - Prayer, its power, the right way to pray, and the difference between surrendering to God and not taking responsibility for one's actions. - What happens when we die, with revelations into the realities of heaven, hell, purgatory, and reincarnation. Mary also provides insightful answers to questions about terrorism, the world's refugee crisis, racism, gender inequality, marriage equality, and more. Her conversations with Anna are simultaneously illuminating, inspiring, and provocative, and offer you a guide to go back to the simple messages God gave us of love and peace.

You Are Enough - Cassie Mendoza-Jones 2016-04-01

You Are Enough explores why we have become so worried about what other people think of us, and what our infatuation with comparison can cause on physical, mental, emotional and spiritual levels. If you are sick of striving, or feeling like a perfectionist comparer, here are the practical tools for getting out of the comparison trap, so that you can learn to accept yourself as you are, and revel in the sense of peace and ease that this brings. Are you sick of giving yourself a hard time? Have you had enough of comparing yourself to

others? Do you feel that nothing you do is good enough? It doesn't have to be this way. Because guess what? Your worth is innate--you can't earn it with accomplishments or by hitting your goals ... which means you can't lose it when you think you haven't done enough. It's time to let go of the negative thoughts that keep telling you that you'll only be more when you work harder ... that keep you stuck, constantly comparing yourself to those around you. It's time to understand what your body is trying to tell you when you're burning out, pushing yourself to your limits, and chasing self-worth, achievements and perfectionism. You are enough. Knowing this starts with accepting yourself. And the shift to true self-acceptance is realising you're already enough.
