**Wisdom from Your Spirit Guides** -

James Van Praagh 2019-07-02  
Every soul experiencing a physical incarnation is in constant-although subconscious-contact with their spirit guides: spiritual teachers offering guidance, knowledge, and wisdom. In this book, world-renowned spiritual medium James Van Praagh teaches readers the benefits and rewards of having a conscious relationship with their guides. The work includes exercises and meditations (along with a description of the various guides who help us on this earthly adventure), to enrich and assist readers during their physical journey.

**The Adventures of Billy, a Pirate's Boy** - Judy Wolfman 2022-11-17  
Billy falls overboard from a yacht, into the sea. His cries for help go unheard, and he uses his swimming skills to try to reach the shore. He floats on his back and falls asleep. He awakens and finds himself on the back of a dolphin that takes him close to shore. He swims

the rest of the way, finds food and makes a place to sleep. When he wakes, he is surrounded by eight men, dressed as pirates, seeking a buried treasure. They take Billy with them as a pirate's boy. Thanks to Billy's encouragement, the men go to one more island and find a hidden treasure.

**Richard Ramsay Armstrong's Book of His Adventures** - Richard Ramsay Armstrong 2008  
The life story of Richard Ramsay Armstrong, RN, 1833 - 1910. 3 years on the Coast of Africa for suppression of the slave trade. Then the Crimea, and 6 months with the Naval Brigade. He survived cholera but was wounded 5 times. Back at home the doctors thought he would die. Instead, he emigrated to NZ, to try farming. It didn't work out, so, he went to be a planter in Fiji. This failed, but he had to survive many hazards: a hurricane wiped him out. Then he was the official at Lord Howe

Is. He became the thorn in the side of speculators who got his dismissal on trumped up charges. Back in Australia several schemes failed to make his fortune. He never mentions his family and though he fathered 6 children, he always seems to have been off on some project, giving the impression of a poor family man! This is confirmed by his wife's occasional diary which is included after his work. There are extensive footnotes and a substantial appendix examining some of Armstrong's stories in detail.

on by guest

tales, now in one volume. Children won't be able to put down these stories of the journeys of a boy and his orange cat, Plumpet. Anatole has a knack for seeking and finding adventure, often with Plumpet, his orange cat, who is accustomed to ghost trains, amnesiac soldiers, flying horses, and wallpaper portals, just a few of the enchantments encountered along the way. From his perilous search for wild fennel to cure his grandmother's asthma, to his high-stakes game of checkers to save his uncle from a wizard's evil spell, Anatole's missions will keep young readers turning the pages of this omnibus edition of the Newbery Medal-winning author Nancy Willard's trilogy of fantasy tales: *Sailing to Cythera*, *The Island of the Grass King*, and *Uncle Terrible*. David McPhail's pen-and-ink illustrations throughout are beautifully detailed engagements with Willard's world of make-

believe. Anatole may be small but he is determined to right the wrongs he finds in each of the lands he enters. Whether kindness or evil will prevail is a matter of suspense, but Anatole is always on the side of the light.

*Readers' Guide to Periodical Literature* - Anna Lorraine Guthrie 1919

*He-Man and the Masters of the Universe: A Character Guide and World Compendium* - Val Staples 2017-05-23

**Captain Rum: A Wondrous Adventure** - John Perrier 2015-03-01

Downloaded from  
[devriendenvanwilders.eu](http://devriendenvanwilders.eu)  
on by guest

When an Oxford Professor stumbles upon an old naval Captain's log, he unwittingly discovers what many scholars now agree is one of the greatest maritime adventures in history. In 1821, Captain Fintan McAdam set sail from London, solo, in search of adventure. During his journey, he discovered incredible new worlds and interacted with their amazing inhabitants. They forced him to confront his enemies within, learning much about himself. Captain Rum, as told in McAdam's own words through his journal, is a tale of discovery, despair and delight. It will keep you enthralled through many a stormy night.

**Insiders' Guide® to Branson and the Ozark Mountains** - Fred Pfister

*Lost in Shangri-La* -  
Mitchell Zuckoff  
2011-04-26

On May 13, 1945, twenty-four American servicemen and WACs boarded a

transport plane for a sightseeing trip over "Shangri-La," a beautiful and mysterious valley deep within the jungle-covered mountains of Dutch New Guinea. Unlike the peaceful Tibetan monks of James Hilton's bestselling novel *Lost Horizon*, this Shangri-La was home to spear-carrying tribesmen, warriors rumored to be cannibals. But the pleasure tour became an unforgettable battle for survival when the plane crashed. Miraculously, three passengers pulled through. Margaret Hastings, barefoot and burned, had no choice but to wear her dead best friend's shoes. John McCollom, grieving the death of his twin brother also aboard the plane, masked his grief with stoicism. Kenneth Decker, too, was severely burned and suffered a gaping head wound. Emotionally devastated, badly injured, and vulnerable to the hidden dangers of the jungle, the trio faced certain death

unless they left the crash site. Caught between man-eating headhunters and enemy Japanese, the wounded passengers endured a harrowing hike down the mountainside—a journey into the unknown that would lead them straight into a primitive tribe of superstitious natives who had never before seen a white man—or woman. Drawn from interviews, declassified U.S. Army documents, personal photos and mementos, a survivor's diary, a rescuer's journal, and original film footage, *Lost in Shangri-La* recounts this incredible true-life adventure for the first time. Mitchell Zuckoff reveals how the determined trio—dehydrated, sick, and in pain—traversed the dense jungle to find help; how a brave band of paratroopers risked their own lives to save the survivors; and how a cowboy colonel attempted a previously untested rescue mission to get them out. By trekking into the New Guinea

jungle, visiting remote villages, and rediscovering the crash site, Zuckoff also captures the contemporary natives' remembrances of the long-ago day when strange creatures fell from the sky. A riveting work of narrative nonfiction that vividly brings to life an odyssey at times terrifying, enlightening, and comic, *Lost in Shangri-La* is a thrill ride from beginning to end.

**Forthcoming Books** - Rose Arny 2003-12

**It's the Cowboy Way!** -

Don Cusic 2003  
Something happened when  
Ranger Doug, Too Slim,  
Woody Paul, and later  
Joey "The Cowpolka King"  
took the stage in the  
white cowboy hats and  
dazzling western  
regalia. Riders In The  
Sky revived the old  
Western songs that had  
been so popular in their  
childhood by following  
in the footsteps of  
songwriting legends such  
as Gene Autry and Bob  
Nolan of The Sons of the  
Pioneers. At a time when  
the "outlaw" movement  
saw artists such as  
Waylon Jennings and  
Willie Nelson topping  
country charts with  
gritty songs about

drinking and depression,  
Riders In The Sky hit  
just the right chord  
with maturing baby  
boomers. It's the Cowboy  
Way! is the story of the  
Riders' journey from  
obscurity to - well -  
less obscurity. It's a  
behind-the-scenes  
glimpse at a group of  
serious musicians with  
not-so-serious outlooks  
on life, four men who  
set out not just to  
revive a lost musical  
tradition but to nurture  
America's love of good-  
hearted, heroic cowboys.  
*The Guide to United  
States Popular Culture* -  
Ray Broadus Browne 2001  
"To understand the  
history and spirit of  
America, one must know  
its wars, its laws, and  
its presidents. To  
really understand it,  
however, one must also  
know its cheeseburgers,  
its love songs, and its  
lawn ornaments. The  
long-awaited Guide to  
the United States  
Popular Culture provides  
a single-volume guide to  
the landscape of  
everyday life in the  
United States. Scholars,  
students, and

researchers will find in it a valuable tool with which to fill in the gaps left by traditional history. All American readers will find in it, one entry at a time, the story of their lives."-- Robert Thompson, President, Popular Culture Association. "At long last popular culture may indeed be given its due within the humanities with the publication of The Guide to United States Popular Culture. With its nearly 1600 entries, it promises to be the most comprehensive single-volume source of information about popular culture. The range of subjects and diversity of opinions represented will make this an almost indispensable resource for humanities and popular culture scholars and enthusiasts alike."-- Timothy E. Scheurer, President, American Culture Association "The popular culture of the United States is as free-wheeling and complex as the society it animates. To

understand it, one needs assistance. Now that explanatory road map is provided in this Guide which charts the movements and people involved and provides a light at the end of the rainbow of dreams and expectations."--Marshall W. Fishwick, Past President, Popular Culture Association  
Features of The Guide to United States Popular Culture: 1,010 pages 1,600 entries 500 contributors  
Alphabetic entries Entries range from general topics (golf, film) to specific individuals, items, and events  
Articles are supplemented by bibliographies and cross references  
Comprehensive index  
*Handbook of Old-time Radio* - Jon David Swartz 1993  
Lists more than 2,000 different programs, details of the program's airing, availability, and, where appropriate, story lines. Includes indexes of over 8,000 performers and program titles. ...a good one-stop source for

information about Old  
Time Radio...covers so  
much information in a  
single, usable source...  
--RQ ...the best old-

time radio book  
published since  
1976...this is  
definitely a book all  
OTR buffs can use... --
