*Oxford Practice Grammar* - John Eastwood 2007

Basic Oxford Practice Grammar - Rachel Godfrey 2009

This three-level grammar practice series takes students through from Basic to Advanced level English.

Oxford Practice Grammar - George Yule 2019

Oxford Practice Grammar Advanced is divided into 17 units which provide a review of the grammar of contemporary English. Within each unit there are separate sections on specific features e.g. Present Perfect or Past Simple. As well as the types of exercises you will be used to there are some exercises specifically designed for students who are becoming more advanced in English. These include: summary exercises, dictionary exercises, matching and editing activities. You can either start at the beginning and work through to the end or choose the order in which you want to study the grammar topics, perhaps starting with those that are giving you problems. Two-page tests at the end of each unit or section mean you can see how much you have learned and decide if you need more practice. For those unsure of some of the terminology there is also a Glossary explaining the meaning of all the grammatical terms.

*Oxford English Grammar Course: Advanced: with Answers CD-ROM Pack* - Michael Swan 2011-08-25

**Oxford Practice Grammar Basic** - Norman Coe 2006
