In the Writing & Speaking Assessment Booklet there are 12 sample answers for the Writing paper (one to correspond to each unit of the Student's Book), written by real FCE students. For each sample answer, there are notes that explain what students need to do in

the task, and how the answer would be assessed by a Cambridge ESOL examiner. This booklet also includes a DVD of real FCE students taking the Speaking test, with comments from experienced examiners, so you can see exactly how this part of the test works, and understand how to accurately assess your students. The material on the DVD is supported with photocopiable worksheets, useful phrases, tips and examiner's questions in the booklet. The Using a dictionary for exams booklet is full of ideas for using dictionaries to improve your students' language skills and performance in the exam. These ideas are followed by photocopiable worksheets so your students can put what they've learnt into practice. This booklet has been updated to

reflect changes in the new Student's Book. In the Teacher's Book, there are 12 Unit and four Progress Tests, all with answer keys. The tests are photocopiable for use in class.
