The Polyester Prince - Hamish McDonald 1998

Dhirubhai Ambani's life is a rags-to-riches story, from Bombay's crowded pavements and bazaars to the city's extravagantly wealthy social circles where business tycoons, stockmarket speculators, smugglers, politicians and Hindi film stars mingle, make money, make and break marriages and carry out prolonged feuds. This is the story of a rising capitalist group in post-independence India. Until the arrival of Ambani, and now more like him, India's big business scene was dominated by a few industrial houses

from British times. Ambani's Reliance group has risen to rival these houses in just 26 years since its foundation. By 1995, the group had 2.6 million investors, one in every eight Indian sharemarket investors, and is now so large that it has to hold its annual general meetings in football stadiums. Along with expansion, however, have come the intricate political connections, a whole raft of corruption charges and a rollercoaster of booms and crashes for Ambani and his company. This study shows how capitalism emerges by fair means and foul in the new industrial countries

of the Third World and explores the life of an Asian tycoon.

End of the Line - Neelesh Misra 2001

Relying on access to exclusive information, AP correspondent Neelesh Misra pieces together the jigsaw of sometimes conflicting accounts of the murders of the Nepalese royal family on June 1, 2001. A wider national tragedy stands revealed: a nation with one foot in the 16th century and the other, uncomfortably, in the 21st; and of a king whose grand plans for making that transition a smooth one would, in more ways than one, be brutally thwarted.

When Ivan, Luke's mysterious new grown-up friend, enters the picture, Elizabeth doesn't know quite what to make of him. Drunk on the Wine of the Beloved - Hafiz 2001-08-14

The Persian Sufi poet Hafiz (1326–1390) is a towering figure in Islamic literature—and in spiritual attainment as well. Known for his profound mystical wisdom combined with a sublime sensuousness, Hafiz was the supreme master of a poetic form known as the ghazal (pronounced "guzzle"), an ode or song consisting of rhymed couplets celebrating divine love. In this selection of his poems, wine and the intoxication it brings are the image that expresses this love in all its joyful abandon, painful longing, bewilderment, and surrender. Through ninety-five free-verse renditions, we gain entry into the mystical world of Hafiz's Winehouse, with its happy minstrels, its bewitching Winebringer, and its companions in drunken longing whose hearts cry out, "More wine!" Thomas Rain Crowe brings a new dimension to our growing appreciation of Hafiz and his wise drunkard's advice to the seekers of God: In this world of illusion, take nothing other than this cup of wine; In this playhouse, don't play any games but love.

The Absent State - Neelesh Misra 2012-03-12

The spiralling crisis in Jammu and Kashmir; the Naxalite-Maoist menace that seems to be intensifying with every passing day; the disturbing reach of proxy governments run by militant groups in Manipur and Nagaland ? today, a quarter of India is being held hostage by violence and anarchy. What has pushed the country, which has otherwise held together through seemingly insurmountable odds in the past, to the edge? Who and what is responsible for the state of affairs as it stands today? In a series of dispatches from the epicentres of what they call the country's `battle zones?', Neelesh Misra and Rahul Pandita unveil the tensions, frustrations

and heartbreaks, and the challenges and justifications, that are everyday realities in these troubled regions. Civil administrators talk about the widespread misappropriation of development funds in tribal and remote areas; security and police personnel describe extreme confrontations in the face of inadequate training and equipment; rebel ranks and former insurgents reveal how unemployment, lack of education and rampant exploitation have fuelled their defiance against the establishment and encouraged secessionist activities; self-styled vigilantes assert their need to provide what they consider `security? and `justice? in areas that have seen little of either. And, at the heart of the on-going turmoil, ordinary people mourn the loss of their loved ones ? to starvation, lack of healthcare facilities and militancy ? even as they voice their demand to be heard. The stories are many; the cast varied. Yet, collectively, they present an alarming picture of systemic failure on the part of the Indian state. A potent reminder of the mistakes that the government of India cannot afford to repeat, The Absent State is a work of great significance ? an essential read for anyone who wants to make sense of the tumult of our times.

In Deora, a remote village near Lucknow in Uttar Pradesh, Shiva Balak walked 24 kilometres to and back from his school each day, only to be left wondering why there were no schools in his own village. A brilliant student, he struggled through extreme hardships, and achieved laurels by winning a scholarship to fund his post-graduate degree in geology in Canada. Dr Misra turned his back on what the affluent West had to offer him, and returned to his country to serve the people of rural India. His is an underdog story of a young scientist from an Indian village whose credit as a discoverer was snatched by his Western colleagues . who had to honour him decades later. This book is a must read for every Indian.' - Mahesh Bhatt, Filmmaker S.B. discrimination still exist. This is a story of courage, determination, faith and the will to dream big and fulfill those dreams in the face of adversity.

Evidence-based Clinical Chinese Medicine - Volume 24: Menopause - Meaghan Coyle 2020-10-23

Menopausal symptoms can significantly reduce women's quality of life, and may last for several years. Women who seek relief from symptoms often turn to complementary therapies, including Chinese medicine. The latest in the Evidence-based Clinical Chinese Medicine series uses a 'whole evidence' approach to summarise the management of menopausal symptoms with Chinese medicine. The first chapter describes the conventional medicine understanding of menopause, including common signs and symptoms, diagnosis and treatment. The Chinese medicine conceptualisation of menopause, both in contemporary and classical literature, is reviewed and discussed. The evidence from clinical studies is reviewed using internationally accepted scientific methods. Systematic reviews describe the treatments used in clinical studies, and analyse the effectiveness of Chinese herbal medicines, acupuncture and related therapies, other Chinese medicine therapies, and combinations of Chinese medicine therapies. Experimental studies that describe the potential mechanisms of action of key herbs are summarised. The final chapter synthesises the current evidence and offers suggestions for contemporary

clinical practice and future research. This book is a handy desktop reference for both clinicians and students of Chinese and integrative medicine. It provides a comprehensive synthesis of both traditional and contemporary knowledge that can inform clinical decision-making.

Striker, Stopper - Moti Nandy 2012-08-07

Striker is the story of a young football player, Prasoos Joshi, whose father, once a top scorer in the Calcutta League, is completely sidelined after being accused by the club of deliberately throwing the winning goal. As a young player struggling to make his mark, Prasoos not only has to battle the ruthless exploitation of the football clubs, his family's straitened financial circumstances, and his own development as a player, but he has also to exorcise his father's ghosts. Stopper, on the other hand, is the story of the much older Kamal Guha, a veteran player with an eclectic record, now playing the final game of his career... Both novellas brilliantly capture the heady highs, and the crushing lows, the heroism ? and the ignominy ? of sport. However, it is always the game, and the action on the field, that is the real hero of Moti Nandy's writing.

Shikhandi - Devdutt Pattanaik 2014-07-20

Patriarchy asserts men are superior to women Feminism clarifies women and men are equal Queerness questions what constitutes male and female Queerness isn't only modern, Western or sexual, says mythologist Devdutt Pattanaik. Take a close look at the vast written and oral traditions in Hinduism, some over two thousand years old, and you will find tales of: Shikhandi, who became a man to satisfy her wife Mahadeva, who became a woman to deliver a devotee's child Chudala, who became a man to enlighten her husband Samavan, who became the wife of his male friend and many more . . . Playful and touching—and sometimes disturbing—these stories when compared with tales of the Mesopotamian Gilgamesh, the Greek Ganymede, the biblical Sodom or the Chinese 'cut sleeve' Emperor

reveal the unique Indian way of making sense of queerness. Devdutt Pattanaik's new book builds on profound ideas that our ancestors shared but which we have rarely inherited. This book has content for mature audiences. Discretion advised.

173 Hours in Captivity - Neelesh Misra 2000

I, the Salt Doll - Vandana Mishra 2016-04-07

'A richly detailed and intimate history of an extraordinary life and an extraordinary city, full of warmth, humour, empathy and wisdom.' Sushila Lotlikar was barely in her teens when tragedy forced her to give up her education and join Parshwanath Altekar's Little Theatre in Mumbai in 1940. But the young Konkani girl soon became a hit on the Gujarati stage and went on to storm the Marwadi stage. And then, at the age of twenty-one, she retired. Taking her mother's advice-'The world of cinema and theatre is like a coal shop, your hands are going to get black'-she married actor-writer Pandit Jaydeo Mishra and 'moulted' into Vandana Mishra. But in a singular twist of fate she was to return to the stage twenty-two years later and begin another glorious innings as a character actor. 'I, the Salt Doll' is the story of an exceptional woman-talented, resilient and possessed of a tremendous zest for life. Equally, it is an engaging chronicle of an entire era-of life in India over half a century, beginning in the early 1930s. It is

also a compelling portrait of Mumbai-seen from within; from the stage, from the heart of the old city, from the new suburbs-and in its own quiet way, a plea for the pluralism and diversity that made it a great metropolis. Vandana Mishra lived through some 'interesting times', and her singular voice in this narrative laced with songs and sayings will ring in your ears long after you have put the book down.

Storywallah - Neelesh Misra 2018

In 2011, the screenwriter, lyricist and journalist Neelesh Misra started mentoring a handpicked group of writers called the Mandali. These were men and women of all ages, backgrounds and dispositions. The Mandali soon started writing radio stories in Hindi, for Misra's show *Yaadon Ka Idiotbox*—short, pithy, bittersweet narratives that immediately struck a chord

with listeners across the country. Translated for the first time in English, this collection represents the Mandali at the height of its powers. These stories are blessed with a keen sense of place, attuned to the rhythms of both small-town India and rapidly expanding mega-cities like Delhi or Mumbai. Homesick yuppies reconnect with their hometowns, old lovers reconcile against all odds, and parents learn to get along with their grown-up children. A mother-in-law uses questionable tactics to bond with her distant daughter-in-law, a war widow learns to stand up to family, and a life-threatening mountain slope brings two strangers together. These are fresh, untamed voices aided and abetted by a master storyteller.
