Looseleaf for American History: Connecting with the Past Volume 1 - Alan Brinkley 2011-06-30

Connect students to the experience of history. Connect students to success in history. Alan Brinkley's *American History* demonstrates that history is a dynamic story rather than a static collection of names and dates. *American History* shows an ongoing narrative, exploring historical evidence that teaches us about the past while revealing connections to the present. Known for its clear, single voice and impeccable scholarship, *American History*, Alan Brinkley's best-selling survey text propels students to think critically about the many forces that continually create and re-create the history of the United States. In this wide-ranging narrative, Alan Brinkley

shows the diversity and complexity of the nation and of our understanding of its history—an understanding that continues to evolve both in the events of the present and in our reexamination of new evidence and perspectives on the past. This 14th edition features a new series of *Consider the Source* essays, superior in-text learning tools, four new *America in the World* essays, and extensive content updates that demonstrate how a new generation of historians and of historical actors continues to shape the American story. And now, the most exciting of all, Alan Brinkley's *American History* offers *Connect History*, an innovative online assignment and assessment platform, which combines a fully integrated eBook with powerful learning and teaching tools. Tools that make assessment easier,

learning more engaging, and studying more efficient. For example within Connect History, a groundbreaking adaptive diagnostic, LearnSmart, provides a personalized study experience for each student ensuring the mastery of basic chapter content. Additionally with Connect History, engaging interactivities such as Critical Missions immerse students in pivotal historical events, asks them to explore these situations, and then, make recommendations based on their findings. Connect History sharpens students' analytical skills, increases historical understanding, and improves overall course success.

The End Of Reform - Alan Brinkley 1996-01-30

At a time when liberalism is in disarray, this vastly illuminating book locates the origins of its crisis. Those origins, says Alan Brinkley, are paradoxically situated during the second term of Franklin Delano Roosevelt, whose New Deal had made liberalism a fixture of American politics and society. The End of Reform shows how the liberalism of the early New Deal—which set out to repair and, if necessary, restructure America's economy—gave way to its contemporary counterpart, which is less hostile to corporate capitalism and more solicitous of individual rights. Clearly and dramatically, Brinkley identifies the personalities and events responsible for this transformation while pointing to the broader trends in American society that made the politics of reform increasingly popular. It is

both a major reinterpretation of the New Deal and a crucial map of the road to today's political landscape.

American History - Alan Brinkley 2006-08

Highly respected for its impeccable scholarship and elegant writing style, Alan Brinkley's American History provides students and instructors with a reliable, comprehensive account of the American past in which no single approach or theme predominates. From its first edition, this text has included a scrupulous account of American political and diplomatic history. Today, the book explores areas of history such as social, cultural, urban, racial and ethnic history, the history of the West and South, environmental history, the history of women and gender, and American history in a global context. The twelfth edition of this text includes the McGraw-Hill's hit Primary Source Investigator (PSI) cd-rom, with hundreds of sources and a program that walks students through how to write a paper using those sources as evidence.

American History: Connecting with the Past - Alan Brinkley 2011-06-09

American History with PowerWeb - Alan Brinkley 2003-05

Highly-respected for its impeccable scholarship and elegant writing style, American History: A Survey provides students and instructors with a comprehensive account of the American past in which no single approach

or theme predominates. From its first edition, this text has included a scrupulous account of American political and diplomatic history. Today, however, the book explores areas of history such as social, cultural, urban, racial and ethnic history, more history of the West and South, environmental history, and the history of women and gender. In addition, American history has not evolved in a vacuum, but as part of a larger global world. The eleventh edition of this text places American history into that global context, making connections for students who live in an ever-expanding world themselves.

Liberalism and Its Discontents - Alan Brinkley 1998

How did liberalism, the great political tradition that from the New Deal to the 1960s seemed to dominate American politics, fall from favor so far and so fast? In this history of liberalism since the 1930s, a distinguished historian offers an eloquent account of postwar liberalism, where it came from, where it has gone, and why. The book supplies a crucial chapter in the history of twentieth-century American politics as well as a valuable and clear perspective on the state of our nation's politics today. *Liberalism and Its Discontents* moves from a penetrating interpretation of Franklin D. Roosevelt and the New Deal to an analysis of the profound and frequently corrosive economic, social, and cultural changes that have undermined the liberal tradition. The book moves beyond an examination of the internal

weaknesses of liberalism and the broad social and economic forces it faced to consider the role of alternative political traditions in liberalism's downfall. What emerges is a picture of a dominant political tradition far less uniform and stable--and far more complex and contested--than has been argued. The author offers as well a masterly assessment of how some of the leading historians of the postwar era explained (or failed to explain) liberalism and other political ideologies in the last half-century. He also makes clear how historical interpretation was itself a reflection of liberal assumptions that began to collapse more quickly and completely than almost any scholar could have imagined a generation ago. As both political history and a critique of that history, *Liberalism and Its Discontents*, based on extraordinary essays written over the last decade, leads to a new understanding of the shaping of modern America.

Looseleaf for The Unfinished Nation: A Concise History of the American People - Alan Brinkley 2015-09-21

Known for its clear narrative voice and impeccable scholarship, Alan Brinkley's best-selling program for the U.S. survey course invites students to think critically about the many forces that continually create the Unfinished Nation that is the United States. Brinkley, American History, AP Edition - Alan Brinkley 2011-06-03

Aligned to the latest AP standards, American History, AP edition, shows students that history is not just a collection of names and dates, but an ongoing story which teaches us about the present as well as the past! Known for its clear narrative voice and impeccable scholarship, Alan Brinkley's best-selling text invites students to think critically about the many

forces that continually create the United States. In a concise but wide-ranging narrative, Brinkley shows the diversity and complexity of the nation and of our understanding of its history—an understanding that continues to evolve both in the events of the present and in our reexamination of new evidence and perspectives on the past. This 14th edition features a new series of Consider the Source essays, a brand new pedagogy program, four new America in the World essays, and extensive content updates that demonstrate how a new generation of historians and of historical actors continues to shape the American story.

The Unfinished Nation: A Concise History of the American People, Volume I - Alan Brinkley 2006-12-15

Known for its clear narrative voice, impeccable scholarship, and affordability, Alan Brinkley's *The Unfinished Nation* offers a concise but comprehensive examination of American History. Balancing social and cultural history with traditional political and diplomatic themes, it tells the story of the diversity and complexity of the United States and the forces that have enabled it to survive and flourish despite division. This fifth edition of Volume 1 includes coverage of events and developments through the year 1877 and features two new essays.

Voices of Protest - Alan Brinkley 2011-08-10

The study of two great demagogues in American history--Huey P. Long, a

first-term United States Senator from the red-clay, piney-woods country of northern Louisiana; and Charles E. Coughlin, a Catholic priest from an industrial suburb near Detroit. Award-winning historian Alan Brinkley describes their modest origins and their parallel rise together in the early years of the Great Depression to become the two most successful leaders of national political dissidence of their era. *Winner of the American Book Award for History*

The Unfinished Nation - Alan Brinkley 1996-08

The Unfinished Nation: A Concise History of the American People, Volume II - Alan Brinkley 2006-12-15

Known for its clear narrative voice, impeccable scholarship, and affordability, Alan Brinkley's *The Unfinished Nation* offers a concise but comprehensive examination of American History. Balancing social and cultural history with traditional political and diplomatic themes, it tells the story of the diversity and complexity of the United States and the forces that have enabled it to survive and flourish despite division. Volume 2 covers 1865 to the present. This fifth edition features six new essays and enhanced coverage of recent events and developments in the continuing American story.

Alan Brinkley - David Greenberg 2019-01-08

Few American historians of his generation have had as much influence in both the academic and popular realms as Alan Brinkley. His debut work, the National Book Award–winning *Voices of Protest*, launched a storied career that considered the full spectrum of American political life. His books give serious and original treatments of populist dissent, the role of mass media, the struggles of liberalism and conservatism, and the powers and limits of the presidency. A longtime professor at Harvard University and Columbia University, Brinkley has shaped the field of U.S. history for generations of students through his textbooks and his mentorship of some of today’s foremost historians. *Alan Brinkley: A Life in History* brings together essays on his major works and ideas, as well as personal reminiscences from leading historians and thinkers beyond the academy whom Brinkley collaborated with, befriended, and influenced. Among the luminaries in this volume are the critic Frank Rich, the journalists Jonathan Alter and Nicholas Lemann, the biographer A. Scott Berg, and the historians Eric Foner and Lizabeth Cohen. Together, the seventeen essays that form this book chronicle the life and thought of a working historian, the development of historical scholarship in our time, and the role that history plays in our public life. At a moment when Americans are pondering the plight of their democracy, this volume offers a timely overview of a consummate student—and teacher—of the American political tradition.

Looseleaf for The Unfinished Nation: A Concise History of the American People Volume 1 - Alan Brinkley 2021-10-26

"The title 'The Unfinished Nation' is meant to suggest several things. It is a reminder of America's exceptional diversity of the degree to which, despite all the many efforts to build a single, uniform definition of the meaning of American nationhood, that meaning remains contested. It is a reference to the centrality of change in American history to the ways in which the nation has continually transformed itself and continues to do so in our own time. It is also a description of the writing of American history itself of the ways in which historians are engaged in a continuing, ever unfinished process of asking new questions"--
