This book not only elaborates the contents related to logistics, it also helps the students to equip with needed skills to execute a logistics activity such as Communication skills, Decision making skills, Analytical skills, Organizing skills and Time Management Skills. This book also motivates the students to take up the job in logistics sector, as the Logistics field is booming in India

Strategic Marketing Management - Luiz Moutinho 2010

Strategic Marketing Management: A process based approach integrates Marketing with other aspects of Management such as strategy, organisational theory, strategic financial management and management accounting, HRM, information systems, corporate image and communications, operations management and logistics. It provides students with an overview of how marketing fits into the overall management picture. Strategic Marketing Management: a process-based approach draws heavily on Business Process Re-engineering (BPR), a term which, in the past ten years, has caught the imagination of the business and commercial world.

Business Accounting - Jill Collis 2017-09-16

This textbook provides an accessible introduction to accounting, giving a clear and concise overview of financial accounting, management accounting and financial management. Using international examples, cases and real company data to contextualise the theory, the authors explain the key concepts in a logical fashion, providing students with a

theoretical and practical foundation in the subject. In particular, the running case study helps students to keep applying new concepts to a familiar context. The main author, Jill Collis, is an experienced author who has a proven ability to simplify difficult topics and communicate them in a clear and engaging way. This textbook has been developed specifically to provide a comprehensive introduction to accounting for anybody coming to the subject for the first time, either at undergraduate or postgraduate level. New to this Edition: - The important and contemporary topics of ethics, corporate governance and corporate social responsibility are given more prominence in this new edition - A new chapter on the statement of cash flows has been added - The number of questions in the book and online has been increased substantially to provide students with more opportunity to test their understanding and provide lecturers with more materials to perform assessments Accompanying online resources for this title can be found at bloomsburyonlineresources.com/business-accounting-3e. These resources are designed to support teaching and learning when using this textbook and are available at no extra cost.
